

St Charles Sportsman's Club

RECOIL

Volume 40

August 2010

Issue 5

President's Corner

We are making great progress with ACPT on the lease for our new range site. We meet again on Aug 20th. We are almost completed this portion.

One-more-time: The above lease is ONLY for the new range site and DOES NOT impact any of our current hunting areas that are not being built on (new construction) by ACPT. The area IMMEDIATELY around our current range is now closed to hunting due to continuing logging and graveling operations. Please see Jim Pollock or Phil Lang for the exact details.

Please contact 2nd VP Jose' Torres to help with range clean-up and equipment moving and storage. ALL committees are asked to help store their related equipment. They are working EVERY weekend until the materials clean-up begins.

I hope to see each of you and your families at our annual Family Day picnic (at Middleton Hall) on Sept 12th at 1 P.M.

I'm trying to stand-up several new committees for the good of the club, but I need SCSC members to step-up and volunteer to work these committees. Be an active member and support YOUR club!

Frank Fruh, President

Points of Interest to Members

LEAD REMEDIATION VOTE

A motion was made at the August 7, 2010 Membership meeting to secure from the Land and Building Fund \$98,500 to pay Marcor for lead remediation work they will be doing at the outdoor range. The motion was seconded. The motion is hereby published in the September *Recoil* for membership review with a vote to be taken at the September meeting.

FINAL PAPER ISSUE OF RECOIL

If you have provided our membership chairman, Dave George, with your email address, this September 2010 issue will be the final printed *Recoil* you will receive in the mail. The *Recoil* will be available on the SCSC web site. However, Any member who wishes to continue receiving a paper copy of the *Recoil* in the mail, merely email the Membership Chairman, Dave George, at dc_george@comcast.net and ask that a printed copy be mailed to you. This cost saving change will provide needed funds which can be put to better use.

OUTDOOR RANGE CLEANUP

Equipment and supplies will be culled and packed and the range area put in order in anticipation of moving our trailers to a storage location. Help is needed for this project. Work at the outdoor range is slow going without additional volunteers. **Work schedule is 4 PM Wednesday and Thursday, 2 PM Friday and Saturday.** Contact 240-682-4596 for more information. Please set aside time in September to lend a hand with this necessary work.

ANNUAL SCSC FAMILY DAY PICNIC

Mark your calendars for our Annual Picnic to be held on Sunday, September 12, 1:00 p.m. till 4:00 p.m. at Middleton Hall. Crabs, hamburgers, hot dogs, corn on the cob, etc., etc. Please bring a dessert to share with your fellow club members. This year's raffle includes a Remington 887 shotgun, Color TV, and Cabela's Gift Certificate. Raffle tickets are enclosed in this issue. Bring the completed forms and payment to the August or September meeting or bring them to the picnic. Tickets will also be available at the picnic. Contact John Fitch, Ways and Means Chairman, for further information.

KEYS And CODES

We are updating our key and security code list for the ranges and Middleton Hall. If you have keys to the outdoor range buildings, indoor range, or Middleton Hall, please contact Marlene Smith and let her know what keys you have and if you have a security code to get into Middleton Hall after hours. She can be reached at 301-523-0973 and jo3smi@msn.com.

SCSC LOGO LICENSE PLATES

Some of you may have seen the special SCSC Logo Maryland license plates available to our members. As the Membership chairman, I have now been granted permission by the MVA to authorize the purchase of these special tags. There is a form to be completed, signed by me then mailed or taken to the Glen Burnie MVA office along with a check for \$25. Plate numbers may only be issued in the sequence as printed (you may not request specific numbers). Please contact me should you like one of these plates: Dave George, 301-645-4615, dc_george@comcast.net.

St. Charles Sportsman's Club, Inc. Membership Meeting Minutes Wednesday August 4, 2010

The meeting was called to order by President Frank Fruh at 8:02 p.m. Scouts of Troop 424 presented the colors and led the membership in the Pledge of Allegiance. Paul Goodwin offered the invocation. Tony Barnett, Treasurer, John Fitch, Ways and Means, and Dave George, Property, were absent. Fifty-two members and guests were present, 47 signed the roster.

President: Frank Fruh reported that July was a very interesting month and August is starting off just about as interesting. A hail storm came through and damaged the hall. We are working with the insurance company to get that repaired. We made major strides with ACPT and the new lease. Mark McFarland had his lawyers write the lease and we need to remove most of the document. We should have a presentable lease shortly. The Boy Scouts came out on Saturday and did some landscaping for us at Middleton Hall. Frank donated water and ice cream to help them cool off.

First Vice President, Marlene Smith reported she is creating a key list to keep track of who has keys to the range and Middleton Hall. Anyone who has keys or a code to the security system, please email or call her so she can complete the list.

Secretary: A motion was offered to accept the July 7, 2010 membership minutes as printed in the *Recoil*. The motion was seconded and passed.

Treasurer: In the absence of Tony Barnett, President Fruh provided copies of the SCSC income and expense report and reviewed the report for the membership. A motion was then made, seconded and passed to accept the report.

Huntsmaster: Jim Pollock reported we are still able to hunt on ACPT property.

Ways and Means: In the absence of John Fitch, President Fruh announced that 50/50 tickets are being sold and reminded members of the upcoming family picnic on Sunday, September 12 at Middleton Hall, 1 p.m. till 4 p.m. Raffle tickets were printed in the August *Recoil* and he encouraged members to buy and sell as many tickets as they could. John is working very hard on the picnic and it will be a very nice event.

Conservation: Phil Lang reported he has not yet mowed at Pomfret and will begin in September. He will be calling his volunteers to assist again this year.

Membership: In the absence of Dave George, Phil Lang introduced two prospective members, Christopher Krause, sponsored by Clay Starnier and George Snellings III, a returning member. The prospective members were asked to leave the room and a motion was made to accept them into membership. The motion was seconded and passed and the new members were welcomed into the club.

Committee Reports

High Power: John Leber reported that he will now be the match director and Jim Greer volunteered to be match supervisor. We are finished shooting high power for the year. Anyone can shoot in any match we have. These matches also qualify you for CMP purchase of a rifle. The match director does all the paperwork and runs the match. The match supervisor signs the paperwork for mailing to NRA.

Hunter Safety: Cindy Perkins reported that registration for the August 17, 18, 19 and 21st classes was held last Saturday and will be held again this Saturday at Dicks Sporting Goods, from 9:30 a.m. to 1 p.m. If you want to take the class or know someone who wants to take the class, please register. Marlene Smith will email the instructor schedule for the August classes.

Indoor Range: Jose Torres reported the indoor range is putting together a new centerfire match, four stages, 40 rounds. It will start the first Tuesday in September. There will be Ladies Night at the indoor range on Wednesday, August 11 from 7 to 9 p.m. Firearms, ammunition and training will be available. Ladies from age 12 will be welcome.

IPSC: Randal Browning reported the last match will be Sunday, August 15. Setup starts at 7 a.m. Andy White runs a safe match with an average of 40 shooters.

Junior Rifle: Perrin Lewis reported that the match was held at the indoor range on Sunday. Junior Rifle meets the first Sunday of every month at the indoor range until we get our new range set up. Volunteers are needed. Let others know we sponsor this program.

Legislative: Gus Steinhilber reported the castle law was upheld recently during a home invasion incident. Three states have passed laws to permit carry. Maryland has not yet voted on the issue.

Mountain Property: Jim Pollock reported supplies are being gathered and work will begin on the temporary shed to be constructed at the mountain property after the weather breaks. Volunteers will be called as the construction date nears.

Outdoor Range Cleanup: Charlie Embody reported that the range will shut down operations for cleanup on August 31. We sent out requests for bids to the four companies who showed an interest in doing the cleanup. Only two submitted bids. Of the two bids, Marcor is very reputable and has a thick resume of ranges they have cleaned up. The two prices we got were \$140,000 from MT2 and \$98,500 from Marcor. We would like to have Marcor do the work. We will ask for the money, print the request in the *Recoil*, and vote on it at the next meeting. Jim Pollock stated that we can vote tonight for Marcor to do the work and vote next month for the funds. President Fruh reported there was a special board meeting to discuss the two proposals, reviewing them line by line, item by item. Marcor presented the better looking package at the lower price. It appears to be a fixed price while the other company indicated if more work was required, the price would increase. John Leber stated the *Recoil* needs to be corrected to indicate the correct cease fire date. After midnight September 1, there will be no more firing on the outdoor range.

Silhouette: Brian Rehm reported the last match will be August 28. Preregistration is not required but appreciated. Come out and enjoy shooting with us.

Unfinished Business: Paul Goodwin asked if everyone had a chance to read the motion printed in the *Recoil* regarding ceasing printing paper copies of the newsletter. The *Recoil* will be made available electronically to save about \$8,000 per year over sending out paper copies. He reported his labeling team feels it is a waste of time to label the newsletters which takes about three and a half hours. Anyone who does not have access to a computer can simply contact Dave George and he will print a label and it will be sent out. This change will save us \$8,000 a year, over five years that \$40,000 for range development. The motion was read and received a second. Further discussion included a statement from a member of the labeling committee agreeing that it does take a lot of time. Postage costs about \$250 and up, depending on weight. If we decide to go the electronic route, he suggested a blast email be sent to the membership advising them that the latest *Recoil* is now available on the web site. A member stated he would be willing to pay an extra fee for a paper copy. Another member reminded the membership that the treasurer was to provide a per-issue per-member cost for the newsletter. In the treasurer's absence, this information was not available. Costs were then discussed. A member suggested including a link to the web site in the blast email to members. Discussion followed regarding when to begin charging members for a paper copy. The *Recoil* will be printed one more time with a notice to members that this will be the final issue. The card vote was called and the motion passed.

Paul Goodwin made a motion that anyone wishing to receive a paper copy will be assessed the cost of printing and mailing the *Recoil*. The motion was seconded. Discussion followed concerning the actual cost and means of collecting the fee. Brian Malpasso offered an amendment to the motion that any cost incurred would not be effective until 2011 dues renewal. After further discussion, Brian Malpasso then offered a motion to table the motion. A vote was called and the motion to table passed.

New Business: Charlie Embody made a motion to accept Marcor as the lead remediation firm for the outdoor range. Work will start in September. The cost will be printed in the *Recoil* for a vote at the September membership meeting. The motion was

seconded. A member asked to see an outline of work to be done. President Fruh stated that an outline will be provided at next month's membership meeting. The bottom line is, Marcor will do the job for the price quoted and give us a certification that the lead removal has been completed. ACPT requires a certification that the lead has been remediated to a certain level. Marcor will do this and provide certification to ACPT. Cindy Perkins asked if members would be able to review the Marcor proposal, licenses and certification to do this kind of work. President Fruh stated SCSC received an RFP from Marcor with this information in it and it was available for review. Charlie Embody will give the RFP to Cindy Perkins for her review. All this motion does is accept Marcor as our contractor. We cannot spend funds until the membership approves the funds after it is published in the *Recoil* and voted on at the September meeting. A vote was called and the motion passed.

Jose Torres stated that outdoor range cleanup will begin this Friday and Saturday and continue every Friday and Saturday in August beginning at 4 p.m. on Friday and 10 a.m. on Saturday to start cleaning the range. We will not stop anyone from shooting. We have to start clearing some of this stuff out and consolidating what's in the trailers.

Jim Pollock made a motion to secure from the Land and Building Fund \$98,500 to pay Marcor for the work they will be doing at the outdoor range. The motion was seconded. The motion will be published in the September *Recoil* for membership review with a vote to be taken at the September meeting.

Henry Bernatonis suggested that the club hold a swap meet to raise funds for the club. He will present a proposal at the September membership meeting.

Good and Welfare: Perrin Lewis stated he has tickets left for the Friends of the NRA pistol raffle to be drawn at the Annapolis FNRA banquet on August 21. The winner of the Thompson was Kurt Kingsbury.

Frank Fruh stated that he will begin his 4H shooting program at the end of August for youth between 12 and 19 years of age. They will shoot trap, skeet and sporting clays. There is a state match in November they will be training for. Shooters over 15 will be able to shoot their way onto the state team and travel to the national competition next June. If you know of any youth who are interested in learning how to or knows how to shoot trap, skeet and sporting clays, please contact him.

The 50/50 of \$44.50, was won by Randal Browning. Andy White won the workers' drawing for IPSC. The meeting adjourned at 9:08 p.m. Respectfully submitted, Elaine Costello, Secretary.

Treasurer's Report

Tony Barnett

All committee chairs are reminded that funds collected as a result of committee activities are due monthly (or within 30 days of the event). Event paperwork must include a list of participants, their SCSC member number (or other affiliated club membership number), the amount paid, and the total income. The committee financial report must also include a detailed, itemized listing of all expenses, and must include receipts. All paperwork and collected funds must be turned in monthly, with the required supporting paperwork. Incomplete reports or reports without receipts will not be accepted, and reimbursement will not be paid without supporting paperwork. Committee chairs are reminded that their monthly expense reports for reimbursement cannot exceed \$100 without approval by the membership or the Board, as appropriate.

SCSC Web Site

Tony Barnett

The annual club activities calendar can be viewed on our web site, stcharlessc.com. Contact Tony if you have any questions, comments or suggestions on our site. Members-only password is: *scscmember*. The club newsletter, *Recoil*, is available in the member section of the web site from January 2002 to present. The latest *Recoil* is generally posted to the web site the weekend before the monthly membership meeting. You will need Adobe Acrobat Reader to download, read, and print the *Recoil*.

Current Committee Activities

Indoor Range

Sharon Griffiths/Randal Browning

Twenty-two women shooters came out for Ladies Night on August 11th. A special thanks to the RSO's and Instructors who donated their time and expertise to support this event. A good time was had by all. The next Ladies Night will be in November. A six-week Multi-Silhouette League will be starting on Sept. 7th. All you'll need is a handgun and 40 rounds of center fire ammo for this one.

Junior Rifle

Perrin Lewis

The St. Charles Sportsman's Club Junior Rifle program is open to kids age 6 to 18 years of age and is free of charge. The goal of the program is to teach basic rifle marksmanship and firearm safety. We encourage each participant to work toward qualification in the Winchester/NRA marksmanship program. Junior rifle meets at the indoor range. Start time is 1:00 PM. We normally shoot for about 3 hours. If anyone has any questions or would like to help out please feel free to contact Perrin Lewis at 301-638-1230 or by e-mail plewis@genesisfirearms.com. Preregistration is not required but is appreciated. I can always use the help of the members. Just a reminder to those who have been members for less than two years you are required to work 16 hours for the first two years of membership. Junior Rifle is a great way to get these hours taken care of. If you are not able to make it out to the range on these dates I can find other things for you to do at your convenience. Thanks again to those who have come out to help I can not run this program without your help.

Membership

Note: SCSC has a limit of 450 Regular members.

NRA Information Needed

SCSC must maintain 100% NRA membership. Please check your *Recoil* label for (NRA? and/or Date?) to determine if your NRA information is current. The following members renewed their SCSC membership but have NOT provided current NRA

information. Per SCSC bylaws, members must be current NRA members to retain membership in SCSC. The SCSC Board suspended membership for the following member until a current NRA expiration date is provided: Oldland, Jan Richard (Suspended 8/19/09)

Scouting

Jeff Kensingner

This past month the SCSC Boy Scout Troop had its annual Troop Camp outing at the outdoor Range facilities. We worked on basic skills with our younger Scouts and our Orienteering skills. The Scout Leadership had their annual planning meeting to set the upcoming year's events. We have an action packed year that includes a trip to Gettysburg, Valley Forge & the Shenandoah Mountains along with other monthly outings. The Troop, which is open to boys 11-17, meets every Thursday night from 7 to 8:30 pm at Jenifer Elementary on Berry Rd. For more information contact Scoutmaster Jeff Kensingner at 301-645-1154 or email at jksen1963@aol.com

Shotgun

Peter Buckingham, eringrp@comcast.net, 301-646-5300

I wanted to take a few sentences and thank all the Trapper's who have worked on Shotgun past and present and express my appreciation to you. You are all to be commended for your dedication and service to the club and the shotgun committee for the many years you have come out and helped run this operation. I appreciate you all and the sacrifice you have offered to SCSC by missing Sunday's with the family and the other events you could very well have attended but chose to Trap every 6th Sunday of the month. In my mind it is members like you guys who are the heart and Soul of the SCSC and all we have been in the past and all we will continue to be going forward in the future. As you know the club is in for some rough times ahead but we can weather it together if we just hang tough and work the problems and issues as they arise. We will be a better club in the near future and have a newer facility to continue our club in very soon. Thanks again and I'm sure I will see you all around shortly at the monthly meetings, the indoor range or just around greater Waldorf.

Silhouette

Brian Rehm

The details from the August silhouette match will be reported at the next meeting and the next *Recoil*.
