President’s Corner

Work at the outdoor range site is now COMPLETED! A very special thanks to the small hand-full of members that logged over 700 hours of work time there. Our old range now belongs to ACPT. Jose’ Torres (2nd VP) and his small band of merry men worked like crazy!

We are working continually on the new Lease for a range site and hope to finish-up this month. Once all comments are settled, it will be brought to the membership for approval.

The Board is working hard on range plans and alternatives for your shooting pleasure. There may be a surprise for you to come out of these efforts!

We all owe a big thank-you also, to Marlene Smith (1st VP) for organizing our recent SCSC Yard Sale.

Hunting season is upon us – hunt safely, hunt ethically, and enjoy our outdoors. Although we have lost access to the land immediately around the old range site, we still have many, many acres to hunt on other ACPT property. Please take care of what we have left. Put in your “time in the woods” and I hope each of you are successful in your hunts.

Tis the season to be thankful – remember what we STILL have and think about our future gains as we enter 2011. A safe and enjoyable Holiday and Christmas to all!

Frank Fruh, President

Points of Interest to Members

DEATH OF MEMBER
With sadness we report the death of former member, Louis Salviejo. He was a member during our formative years. He served in the U.S. Army from 1961 to 1964 and was a resident of Charlotte Hall Veterans Home. During his younger years, he was an avid hunter and shooter, and a dedicated club member. His joy for life and family will be missed by those of us who knew and loved him. He is survived by his wife, Susan, two sons, two daughters and ten grandchildren.

EMAIL ADDRESSES
After a recent blast email to the membership, several email addresses bounced back as invalid. If you have changed your email address recently, please let our Membership chairman, Dave George, know. He can be reached at dc_george@comcast.net.

Membership Meeting Minutes
Wednesday November 3, 2010

The meeting was called to order by President Frank Fruh at 8 p.m. Scouts of Troop 424 presented the colors and led the membership in the Pledge of Allegiance. Paul Goodwin offered the invocation. Tony Barnett, Treasurer, was absent. Thirty-seven members and guests were present, twenty-eight signed the roster.

First Vice President: Marlene Smith reported a blast email was sent to all members regarding the upcoming yard sale. A registration form and flyer was placed on every table. She encouraged members to tell their families and neighbors about the sale. All the proceeds from the space rental goes to the club. She has advertised in the Pennysaver and Maryland Independent. This is not like the banquet where you were asked to buy a lot of tickets. All we’re asking is that you buy a space. Clean out your garage, the rental fee goes to the club, the rest goes to you. It’s a decent deal. Your participation is really appreciated. She also asked for volunteers to create signs for the yard sale to be placed on nearby main roads.

Second Vice President: Jose Torres reported there will be a Ladies’ Night at the indoor range on Wednesday, November 10 from 7 till 9 p.m. RSOs and firearms instructors will be available. Please tell your women friends about the event. Any female who would like to lose her fear of firearms is welcome to learn gun safety and shooting. We are providing firearms and ammunition. On November 15 we will hold a turkey shoot at the indoor range. Try your luck winning a turkey using handguns only, anything from a .22 to .44 magnum is welcome. The event starts at 7 p.m. The outdoor range is almost clean. There is one green trailer that needs to be demolished and removed and a lot of tires that have to be taken out. If you live in Charles County, drop by the range, pick up two tires and take them to the dump. They will not charge you to drop them off. The tires are in the range parking area.

Secretary: A motion was offered to accept the October 6, 2010 membership minutes as printed in the Recoil. The motion was seconded and passed.

Treasurer: In Tony Barnett’s absence, President Fruh provided copies of the SCSC income and expense report and reviewed the report for the membership. A motion was then made, seconded and passed to accept the report.

Huntsmaster: Jim Pollock reported that a work party will be going to the mountain property on Saturday to build the temporary shed. The party will meet at 5 a.m. in the Middleton Hall parking lot. Travel time is two and a half hours. It will be a full day’s work and help is needed. Bring carpenter tools and yard tools to correct some of the landscaping problems that have arisen. Phil Lang will lead the group to Mount Jackson. Hunting hasn’t been as good as he’d like, but there were some good days.

Committee Reports

Membership: Dave George presented two applicants for membership consideration: William Dempsey sponsored by Jim Kina, and Thomas Loresch sponsored by Kimberly Satterfield. The perspective members were asked to leave the room and a motion was made to accept them into membership. The motion was seconded and passed and the new members were welcomed into the club.

Wildlife: Charlie Embody reported the Maryland bear season has just ended and 67 bears were killed. He saw nine bears in Western Maryland in four days, three sows each with two cubs. He noticed an increase in deer in the western counties.

Indoor Range: Jose Torres reported that starting this Saturday, the indoor range will be open from 9 till 11 a.m. If this proves successful, we will consider extending the hours after the first of the year. If there is a function in the hall, we will close the range.

Junior Rifle: Perrin Lewis reported that the match will be this Sunday at 1 p.m. He asked for assistance since he will be otherwise engaged on Sunday.

Outdoor Range: Frank Fruh reported cleanup of the outdoor range is almost complete. The range is in the process of being totally disassembled. We are down to our last straws of recycling what we can and reclaiming what we can and making refuse ready for the chipper per our arrangement with ACPT.

Recoil: Elaine Costello thanked Tim Bready for his help in getting the Recoil mailed this month. He applied the labels and stamps and took the newsletters to the post office. He only charged us for the stamps, not labor.

Unfinished Business: Frank Fruh reported that at the last board meeting, concerns were discussed about some of the language in the lease. These concerns were presented to ACPT for their review. We have been communicating with them since the last board meeting, attempting to compromise on the concerns. We expect to have the document this Friday for our board review. We have had a lawyer review the lease and once the board can agree on the changes, we will present the lease to the membership for approval. We have already been to the county with a list of the documentation the county requires. Because we are staying within the footprint of St. Charles, the county does not require special zoning requirements. We are only relocating, not starting a new facility. We are relocating because ACPT is forcing us to relocate, it is not our choice. The county is taking that into consideration. We are getting ready to approach a range engineer designer to determine how to lay out the range, how many acres we need, so we can get that documentation to the county. We have a very good standing with the county commissioners and ACPT right now. Everything is in our favor. Once we get the eyes dotted and the tees crossed, we should be able to move forward rapidly. He reminded members that once we get the lease signed and the design made up, we are going to need all hands on deck. As much as we can do ourselves, is that much money we can save. Most of us have chain saws, some of us have tractors and trucks, etc. We can do a lot of work without spending a lot of money. We can get the roads put in and the lots cleared with sweat equity instead of checks. I would think right after the first of the year we can begin. Prepare to help us out.

John Leber asked if the new slate of county commissioners were favorable to us. Frank stated that according to the office of planning and growth management, they are not involved in our process. There is no zoning hearing, no zoning board. We just have to prepare the required documents. The new president of the county commissioner is Candice Kelly, the wife of Ed Kelly who used to be president of St. Charles Corporation and he is still very favorable to us. He has talked with me several times and promised he would do anything he could for us.

Marlene Smith stated she is in the process of trying to get grants for money to build our range. She talked with the NRA who no longer loans money for range development. They only do grants but the request needed to be in by August. They receive a lot of requests for range grants. She spoke with the State of Maryland, is trying to get Pittman and Robinson money, but that is slim at best. She is now in the process of talking with the Maryland Rifle and Pistol Association. She asked that if any member knew of available funds to call or email her. She will make calls to get as much money as possible, either grants or loans. If anyone has access to construction equipment, email and let her know. We are putting a list together. Give her a call with any ideas you have. John Leber stated he read an article about stimulus money available from congress. Marlene will check into it. President Fruh stated if there are any leads to where we can get grants or loans, please let Marlene know. She will run it down.

President Fruh stated we have a lot of iron in the fire. The board is working on the lease and range development. Our goal is get the club shooting outside as quickly as possible.

Good and Welfare: John Leber wished a happy birthday to all Marines and formerly active Marines for next Wednesday.

Brian Rehm reported a gun club in Delaware had most of their silhouette targets stolen. If anyone hears of the targets on the market or in a recycle facility, please let him know and he will inform the club. The targets are extremely expensive.

Ed Winters asked if the board would take under advisement the issue of club income derived from S&K Corporation repayment of the loan from SCSC. What happens when this loan is paid off in full? How does the money get from S&K Corporation to the club or does it cease? President Fruh stated that logically, once the loan is repaid, the income ceases. Ed asked where the profits to S&K go? President Fruh stated the profits go into maintaining the building. One of the biggest
The meeting was called to order at 8:02 p.m. by President Frank Fruh. Present were Frank Fruh, President; Marlene Smith, First Vice President; Jose’ Torres, Second Vice President; Elaine Costello, Secretary; Paul Goodwin, Publicity; Jim Pollock, Huntsmaster; John Fitch, Ways and Means; Phil Lang, Conservation Director; Dave George, Property Director; and Charlie Embody, Wildlife Director. Tony Barnett, Treasurer was absent.

Work on the land lease is ongoing.

The outdoor range is 99.6 percent cleaned and closed. Income from scrap salvage was $2700. President Frueh thanked Jose and his group for the work they did cleaning up the range and was sorry for the lack of support from club members. Of our 522 members, only 37 volunteered their time and effort to assist in closing the range. These 37 members spent more than 786 hours cleaning and closing the range.

Our yard sale was somewhat disappointing but we made a few dollars for the club.

Ladies Night at the indoor range was very well attended.

Indoor range SOPs will be updated.

Members are asked to update their email address with Dave George.

Only six volunteers assisted in building the shed at the mountain property: Jim Pollock, Allen Harper, Phil Lang, John Fitch, Charlie Embody and Dave George. It took three days to construct the building.

Upcoming expenses is replacement of all the ceiling tiles. S&K and SCSC are two different corporations and we have to be careful how we move money back and forth. The IRS is involved in the transfer of money between for-profit and not-for-profit corporations. The board will take the issue under consideration at their next meeting.

Dave George stated he was scouting at Indian Creek two weeks ago and about $500 worth of hunting equipment and personal items were stolen from his truck while he was in the woods. He was at the public parking lot for the public hunting land at Benedict. Dave called DNR and advised them of the incident. He also spoke with folks at Bass Pro and they advised that anti hunters are stealing equipment and throwing it into dumpsters.

Perrin Lewis stated he is the Chairman of Southern Maryland Friends of the NRA, Frank Frueh is the co-chairman. The banquet will be March 5, 2011 at Middleton Hall. The current raffle is for a Springfield XDM semiautomatic pistol chambered in 9mm. Both he and Frank have raffle tickets to sell for $10 each. Only 200 tickets will be sold, then the drawing will occur.

Randal Browning stated he shot high power at Quantico last week and Fairfax Rod and Gun. He encouraged members to shoot at these ranges if they want to. Fairfax charged $10.

Marlene Smith reminded members that there will be a table at the yard sale for donations with proceeds going to the club.

The 50/50 of $48 was won by Chuck Rudolph. Ed Winters won the workers’ drawing for indoor range. The meeting adjourned at 8:40 p.m. Respectfully submitted, Elaine Costello, Secretary.

Treasurer’s Report

Tony Barnett

All committee chairs are reminded that funds collected as a result of committee activities are due monthly (or within 30 days of the event). Event paperwork must include a list of participants, their SCSC member number (or other affiliated club membership number), the amount paid, and the total income. The committee financial report must also include a detailed, itemized listing of all expenses, and must include receipts. All paperwork and collected funds must be turned in monthly, with the required supporting paperwork. Incomplete reports or reports without receipts will not be accepted, and reimbursement will not be paid without supporting paperwork. Committee chairs are reminded that their monthly expense reports for reimbursement cannot exceed $100 without approval by the membership or the Board, as appropriate.

Twelve women were our guests for Ladies Night on November 10. A special thanks to the RSO’s and Instructors who donated their time and expertise to support this event. There is still time to join the Rimfire Multi-Silhouette League. We meet on Tuesday nights at 7 pm. Six contestants came out for the turkey shoot on November 15. The winners were Ron Fry, Jose Torres and John Griffiths. The Christmas goose shoot will be on December 13. Come try your luck.

Junior Rifle

Perrin Lewis

The Junior Rifle program is open to kids age 6 to 18 years of age and is free of charge. The goal of the program is to teach basic rifle marksmanship and firearm safety. We encourage each participant to work toward qualification in the Winchester/NRA marksmanship program. Junior rifle meets the first Sunday of each month at the indoor range at 1:00 PM. We shoot for 3 hours. If anyone has any questions or would like to help out, please feel free to contact Perrin Lewis at 301-638-1230 or plewis@genesisfirearms.com. Preregistration is not required but is appreciated. I can always use the help of the members. Thanks again to those who have come out to help. I can not run this program without your help.

**NRA Information Needed**

SCSC must maintain 100% NRA membership. Please check your *Recoil* label for (NRA? and/or Date?) to determine if your NRA information is current. The SCSC bylaws, members must be current NRA members to retain membership in SCSC. The SCSC Board suspended membership for the following member until a current NRA expiration date is provided: Oldland, Jan Richard (Suspended 8/19/09).

**Scouting**

*Jeff Kensinger*

This past month, the SCSC Boy Scout Troop participated in the Zachia District Fall Camporee, a weekend camp outing at the Dr. Mudd House. The Scouts learned about the life of an average Civil War soldier and how to march and move as a unit, as they did during the War. The Troop spent two weekends on the Boy Scouts of America "Scouting For Food" drive where they encouraged local residents to donate food. The Troop collected over 2000 pounds of food for a local food bank. The Troop, which is open to boys 11-17, meets every Thursday night from 7 to 8:30 pm at Jenifer Elementary School on Berry Road. For more information contact Scoutmaster Jeff Kensinger at 301-645-1154 or email at jsken1963@aol.com.
