President’s Corner

I hope you all had a very Merry Christmas and a safe New Years!!

Not much has changed since our last meeting:

- We lost a former Member – John Lane, died 12/20/11. Member from 2001 thru 2010.
- We’re having minor ATV problems off of the Route 488 property – Sheriff’s ATV Unit involved. DNR unresponsive.
- RSO Course set for January 28th. Contact Randal Browning.
- No further updates on land lease, range Clean-up costs or land purchase – all still on hold pending information from St. Charles Communities Office.
- Ladies Night-at-the-range was another success – about 38 ladies attended.

It is my wish that things get moving faster toward more visible progress in the very near future.

Respectfully, Frank

Please sign and display your parking pass.

INDOOR RANGE

The semi-annual indoor range lead clean-up day is scheduled for January 14. If you'd like to help, we will be starting at 9 a.m. Due to the chance of inclement weather during January and February, last minute range closures may be necessary. Call ahead (301-645-1148) when bad weather is predicted to make sure someone is there.

RSO CLASS FORMING

SCSC will be sponsoring the NRA RSO class on January 28. The NRA Range Safety Officer Course develops NRA Certified Range Safety Officers with the knowledge, skills, and attitude essential to organizing, conducting, and supervising safe shooting activities and range operations. The RSO course is nine hours long and is conducted in a classroom and at a shooting facility. Range Safety Officer candidates will learn roles and responsibilities of an RSO; Range Standard Operating Procedures (SOPs); range inspection; range rules; range briefings; emergency procedures; and firearm stoppages and malfunctions. Each Range Safety Officer Candidate will receive an RSO Student Study Guide, a Basic Firearm Training Program brochure, an NRA Gun Safety Rules brochure, an Instructor Application/Course Evaluation form. Our intention is to support the JROTC programs and indoor range. RSVP is required by Monday January 16, 2012 so student packets can be ordered. Course fee is $30 for members; $100 for non-members. Contact Randal Browning for more information and to register: rebrowning@aol.com.

Membership Meeting Minutes
Wednesday December 7, 2011

The meeting was called to order by President Frank Fruh at 8:00 p.m. Scouts of Troop 424 presented the colors and led the membership in the Pledge of Allegiance. Paul Goodwin offered the invocation. All Board members were present. 57 members and guests were present, 29 signed the roster.

President: Frank Fruh reported the boy scouts are in need of storage space for a 12 foot cargo trailer and additional equipment. If you can help them out, their contact information is in the Recoil.

President Fruh invited the membership to observe a moment of silence for the lost during the bombing of Pearl Harbor.

He reported Middleton Hall did over $100,000 in business for the month of October. Due to faulty shingles, the manufacturer will replace the entire roof at their expense. Air conditioning units will also be replaced by the insurance company due to hail damage several years ago.

First Vice President: Jose Torres reported there will be a Ladies’ Night at the indoor range on Wednesday, December 14, starting at 7 p.m. There will be a turkey shoot, the last one of the season on Monday, December 19 starting at 7 p.m.

Secretary: Elaine Costello made a motion to accept the November 2, 2011 membership meeting minutes as printed in the Recoil. John Leber seconded the motion. A vote was called and the motion passed.

Treasurer: Tony Barnett provided copies of the October monthly income summary report for Middleton Hall. He provided copies and reviewed the club monthly income and expense report. Elaine Costello made a motion to approve the report as presented. Russ Levin seconded the motion. A vote was called and the motion passed.

Committee Reports:

Huntsmaster: Jim Pollock presented and reviewed the new warning notice that is being left on windshields of vehicles parked on our hunting property. He has been leaving the notices when he finds a vehicle parked in violation of club hunting rules, i.e., no permit in the windshield or no name or club number on the permit. He reminded members to display the completed permit when hunting on SCSC controlled property. He also reminded members that he is accepting harvesting reports showing what was harvested, when it was harvested and with what weapon. All harvest reports for the 2011 season must be in by February 14, 2012.

Conservation: Phil Lang attended a Blossom Point community meeting where they reviewed their activities over the past year. Their wildlife officer position will remain vacant. They will not have a Wounded Warrior hunt and will only sponsor two hunts on their property this year. They are awaiting a report from Charles County regarding land use in the area. On another topic, the Rocky Mountain Elk Foundation will conduct a study with DNR on the possibility of introducing elk in Western Maryland. He will keep us updated.

Ways and Means: Russ Levin stated he attended a meeting in Pennsylvania of local gun clubs and the topic of revenue was discussed. The most income was derived from volunteers selling pizza at carnivals and other community events. The sponsoring club received a percentage of the income from the pizza, usually $800-$1500.

Membership: Dave George presented one applicant for membership consideration: Jeremy Bennett sponsored by Erich Kuhstoss. After a brief introduction, the perspective member was asked to leave the room. Brian Malpasso made a motion to accept him into membership, Brian Rehm seconded. A vote was called and the motion passed. Jeremy was welcomed into the club.

Wildlife: Ed Winters reported 2012 fishing licenses are now available. The DNR snake head report reveals 29 species of snakeheads that are banned in Maryland.

Legislative: Ed Winters reported HR822, National Right to Carry Reciprocity, has passed the House and is in the Senate Judiciary Committee as HR822RFF. He recommended we contact our Senators and ask them to support the resolution.

Indoor Range: Randal Browning requested an R.S.V.P. from those planning to attend the Ladies Night on December 14 so we can get an accurate count of attendees. We are changing the procedure for Ladies Night by showing the video upstairs and offering light refreshments. We are planning an RSO course on Saturday, January 28. Please contact him at rebrowning@aol.com if you are interested in the course. As a reminder, law enforcement and active duty military guests do not need a member to accompany them to shoot at the indoor range. They will still pay the fee. The question was raised if the policy covers retired law enforcement or retired military guests. John Leber suggested id cards need to be shown. Russ Levin suggested a review of our insurance coverage. Randal will create a proposal for board review. The range was open for membership use for 65 hours in November. 68 members used the facility, there were 18 guests. Twenty RSOs worked 83.5 staff hours, including 36 hours of cleaning and maintenance.

President Fruh stated the group is very busy, they do a good job and business in booming at the indoor range.

Old Business: President Fruh reported the land lease is still on hold. The potential land purchase is on hold pending lead cleanup costs which we have not yet received.

Last month SCSC voted to support the Young Guns hunting event held last month and sponsor Junior NRA memberships for the young hunters. Brian Rehm reported the event was very successful. Pictures can be viewed at Bill Crutchfield’s website, Young Guns Hunt Club. Fifty-three young people took part. Dave Butts, a former Redskin, spoke to the attendees, there were a number of raffles, half the kids got a deer. One mother was nervous about the event but was impressed with the entire process including safety issues. As a recruiting effort from the club, it was an outstanding success. People approached us offering to serve as guides or offered their land for hunting next year. I’ve asked Bill Crutchfield if he might be interested in addressing this group when they begin planning for next year.

President Fruh stated he attended the all day affair where they had a morning hunt, lunch, bow shooting, air rifle shooting, a field dog demonstration, retriever demonstration and more hunting in the afternoon, then dinner. It was a well organized event and I’m glad we voted to support it and would like to see us continue in the future.
New Business: President Fruh reported he had a meeting with the chairman of the county planning and growth management board. He specifically asked what the county requires of us to put a range on any piece of property that we may acquire in the county. They had no answers but will research it and tell us exactly what they require. I discussed available county land that we might gain access to for hunting or purchase. They have been selling land in parts of the county. They will discuss the issue and get back to us in two weeks. I discussed our commitment to the community, advising them of our work with the sheriff, the boy scouts, Refuse to be a Victim, ladies night, ROTC, hosting the commissioners, and working with ACPT to keep their property maintained. They had no clue we are as big as we are or as committed and embedded to the community. They were very impressed with what we have done and seemed anxious to work with us. I asked if we would run into any barricades if we found land and wanted to put a range on it. They suggested we talk with adjacent landowners before we start any building. We will use their information to our best advantage.

We have a small committee working on a bylaw change to create an alternative membership method not requiring a sponsor. When the club first started everyone was a neighbor in St. Charles, now we have members all over the county and the state. It’s hard to find a sponsor who truly knows a potential member. We are trying to develop a new way which would include a mild level background check that would allow this person access to membership without a sponsor. It’s an alternative method to make it easier for people to join the club. The change is in draft form and the membership will see it long before it becomes final. A member stated that the Jay Cs were cited for changing their membership process which did not include a selection process. Frank stated the plan is to put checks and balances on the background check before they are presented to the board. John Leber stated he uses a program that gives him access to cursory background checks which costs around $90 annually.

President Fruh called for volunteers to assist in a membership drive. The board decided that we need to promote ourselves more when we go to gun shows or public events. We had banners made and they are available for use by members to help promote the club. The sign on the outside of Middleton Hall is in need of repair. The gentleman who painted the sign on two previous occasions has been contacted to submit a bid to refresh the sign again. Three other bids have been received.

We have created a small committee to review the contract with the sheriff’s office. A new contract will include the increase in their hourly rate. The last contract update was in 2004 with a fee of $35 an hour for indoor range use. The membership increased the price to $50 an hour and this increase will be communicated to the sheriff’s office by the end of the year.

Randal Browning made a motion to spend up to $60 for refreshments for ladies night. Russ Levin seconded. A vote was called and the motion passed.

Randal Browning made a motion to spend up to $350 for 1000 rounds of 9mm and 500 rounds .38 special ammunition to be used for Ladies Night and County Council familiarization events. Tom Shied seconded. Discussion followed concerning only teaching the ladies with .22 firearms. This is done but higher calibers are offered and some ladies take advantage of the offer. A member stated he volunteers as a RSO at ladies night and he starts them with a .22 and they usually do continue with higher calibers. Tony Barnett asked if we were buying factory ammo, not reloads. We are. A vote was called and the motion passed.

Randal Browning made a motion to spend up to $750 for targets for resale in indoor range. Money from sales is returned to SCSC general fund. Tom Shied seconded. Discussion included whether we supply targets for ROTC which we don’t. A vote was called and the motion passed.

Good and Welfare: President Fruh stated that Sanners Lake gun club is on a very reduced operating scale, shooting only clay targets and no centerfire shooting at this time. This is due to building of houses in their shot fall zone and adjoining property. Discussion included whether SCSC has discussed joining forces with them. We posed the question to them and we have not received an answer. It is a possibility but they have not come forth.

President Fruh stated the Friends of the NRA Dinner will be held on March 5. Volunteers are needed to help now and during the event. Last year FNRA returned $63,000 to various youth groups in the state in the form of grants. This club has received a grant for several .22 target rifles and ammunition. Other shotgun and rifle group has gotten funds also.

President Fruh stated a statement in the December Presidents Corner seems to have upset several members. My intention was not to do so, not to point fingers or place blame. It was to carry the same concept int the following article about hunting and putting out your parking permits so we can keep track of who is using our facilities. If anyone was offended, it was not my intention and I apologize. Tony Barnett stated that our status as a not-for-profit organization requires us to keep accurate records of who uses the facilities and our sources of income. If we don’t have adequate records, we will lose our not-for-profit status and it affects our tax rate and how much income we have to pay taxes on. It is really imperative that every committee keep records of who uses the facility particularly where fees are involved. Guest income is taxable. That is part of the reason we have to have the reports.

The 50/50 of $36 was won by Walter Coy. Donald Curtis won the workers drawing for Indoor Range. There being no further business, the meeting adjourned at 8:55 p.m. Respectfully submitted, Elaine Costello, Secretary.

**Indoor Range**
*Sharron Griffiths/Randal Browning*

A big thanks to all the RSO's, Instructors, and Volunteers who came to help for the Ladies Night Shoot on December 14. Once again, you made this event very successful. We had a total of 31 guests. Randal Browning gave the safety briefing in the Potomac Room and everything ran very smoothly. The women really enjoy this event! The winners of the Christmas Goose shoot on December 19 were Barry Nutwell and Jose Torres. Congratulations guys! The semi-annual indoor range lead clean-up day is scheduled for January 14. If you’d like to help, we will be starting around 9 a.m. Due to the chance of inclement weather during January and February, last minute range closures may be necessary. Call ahead (301-645-1148) when bad weather is predicted to make sure someone is there. Would you like to be an RSO at the indoor range? If so, SCSC will be sponsoring the NRA RSO class on January 28. Send an email to Randal Browning, rebrowning@aol.com, for details.

**Junior Rifle**
*Perrin Lewis*

The Junior Rifle program is open to kids age 6 to 18 years and is free of charge. The goal of the program is to teach basic rifle marksmanship and firearm safety. We encourage each participant to work toward qualification in the Winchester/NRA marksmanship program. Junior rifle meets the first Sunday of each month at the indoor range at 1:00 PM. We shoot for 3 hours. If anyone has any questions or would like to help out, please feel free to contact Perrin Lewis at 301-638-1230 or plewis@genesisfirearms.com.
