President’s Corner

We held the first membership meeting of the new club year 2009 – 2010 on May the 6th. Three new members were voted into membership, there has been some question about getting the service hours new members are responsible for turning in. Please contact any of the Committee Chairs in the Recoil or call any Board member and we will be more than glad to get you involved in the activities of the club. There are many committee activities going on every week in the club, there should be no reason for any new members not to be involved unless they just don’t want to be of service to their new club. Imagine what a poor member that would make, I know if I sponsored someone who didn’t want to be involved I would be mighty disappointed in that friend. We do have a very active club and do a lot of activities with the shooting disciplines and maintenance of club property so………!

Continuing the effort to rediscover our “God given Freedoms” secured to us by those that founded our country and wrote the “Constitution” to bring a right understanding of how our “natural rights” were guaranteed at our founding as a country. Please go out to the book store and buy or order the following “The 5000 Year Leap” “A Miracle That Changed the World” Principals of Freedom 101, by W. Cleon Skousen, this book lays out the 28 Principals of the Founders basics to a correct understanding of our country. This is the information we had withheld from our educational system that was better “not taught” to another generation of Americans. I know we all have a tendency to think that our public education was “before” the liberals and Unions got hold of our schools and reframed the educational resources of our country. I can guarantee you unless you were born before 1900 you have no better understanding of this subject then the current generation. I was so surprised to find the Bill of Rights has 26 separate rights listed in its 10 amendments! In the 5000 year Leap there is expressed in the 9th Principal 20 examples of “Public and Private Duties” # 4 is The duty not to steal or destroy the property of others! # 11 The duty to be Temperate, # 12 The duty to become economically self-sufficient. And # 19 The duty to support personal and public standards of decency. Another principal is “The proper role of Government is to protect equal rights not provide equal things!” As we can see this book will be an enhancement to our education on the proper role of the citizen and the contract we have entered into with our fellow citizens and our society. If you think about how in the world did all this happen to come together at this one place in time in this country with these men and the people who built this land we call “America”? The more I think about it the more impossible it would seem that chance was at work during this affair? It would be my guess that there was some force of nature at work creating the circumstances and the timing for all this to take place. Think about 1776 and how close Washington’s Army came to being lost and the circumstances surrounding the timing and movements in the known world and around our country! It would seem as it did to the Founders that the hand of providence was involved in the shaping of this new “self-government and Individual Freedom” handed down to us. We seem to have lost sight of the gift we were left with and by the time we wake up and wake up our fellow Americans as well as our posterity it may have been lost. We will hope for the best Pray for our country and keep educating ourselves and those we come in contact with. We should never forget were we came from so we will know where we are going in the future and at the very least not keep endlessly repeating the same mistakes others have repeated and trying what we know doesn’t work! Patrick Henry put it best in these short quotes to think on, - “I know no way of judging the future but by the past.” – “I have but one lamp by which my feet are guided, and that is the lamp of experience.” – “For my part, whatever anguish of spirit it may cost, I am willing to know the whole truth; to know the worst and provide for it.”

I hope to see you around the club or at a Member meeting.  

Peter Buckingham, President, SCSC
Points of Interest to Members

Indoor Range .22 Double Tap League

Standing left to right: Spence Miller, Ken Ptack, Don Smith, Charlie Tanzill, Jan Borchewicz, Mary Ann Munn, Rebecca Salazar, Lori Miller, Mark Salazar
Kneeling left to right: Jose’ Torres, Sherril Munn, Randal Browning, Charlie Coley
Shooters missing from photo: Rob Allard, Fernando Anzola, Alan Harper and Match RSO Sharon Griffiths.

Ladies’ Night at the Indoor Range

Left to right: Cori Karns, Jan Borchewicz, Kim Felten, Michelle Disse’, Carol Lewis, Dee Jay Gude, Christine Herland and RSO Sharon Griffiths.

SCSC Fundraising Banquet
Saturday, June 13, 2009
6:00 p.m., Middleton Hall
Registration Form Enclosed

Glock Match

A very successful Glock match was held on May 16-17 at our outdoor range. Forty-three members volunteered to work the match and John and Barbara Fitch prepared lunch each day. Scott Gilbertson, GSSF Match Coordinator, said he had 202 shooters and had lots of compliments about the range facilities and the match itself. Danny Ryan, moderator of the GSSF Glock Talk web site, came from Roanoke to shoot and was very complimentary of our well organized match. Glock’s armoror was fairly busy both days doing adjustments and rendering tender loving care to shooters firearms. Match chairman, Charlie Embody, wishes to thank all the members who volunteered their time and talents to making this year’s match a resounding success. Patrick McGinnis and Elaine Costello won Glock certificates.

St. Charles Sportsman's Club, Inc.
Membership Meeting Minutes
Wednesday May 6, 2009

The meeting was called to order by President Peter Buckingham at 8 p.m. Paul Goodwin offered the invocation. Scouts of Troop 424 presented the colors and led the membership in the Pledge of Allegiance. Frank Fruh, First Vice President, was absent. Seventy-five members and guests were present, 47 signed the roster.

President: Peter Buckingham introduced two new board members, Paul Goodwin, Second Vice President, and Elaine Costello, Secretary. He also appointed three Directors at Large, Phil Lang, Conservation, Marlene Smith, Wildlife, and Dave George, Property. He introduced Allen Harper as Presidential Advisor and Middleton Hall Building Director. Paul Goodwin will serve as club Chaplain. Anyone who has spiritual issues or needs assistance along those lines, please contact Paul. John Leber is our Sergeant at Arms. At Middleton Hall, we had the alarm system fixed and fixed the smoke detectors that were malfunctioning. We've done some landscaping around the building to make it more attractive to clients. The Glock match is coming up so anyone who wants to volunteer, contact Charlie Embody. Workers have an opportunity to win a Glock pistol for working the match.
Secretary: A motion was offered to accept the April 4 membership minutes as printed in the *Recoil*. The motion was seconded and passed.

Treasurer: Tony Barnett presented the Treasurer’s report for March and April since he was absent from the April meeting. He provided copies of both reports to the membership. A motion was offered, seconded and passed to accept the reports.

Huntsmaster: Jim Pollock presented awards to those who were not present at the April meeting. Tim Bready received a plaque for harvesting the largest white tail with a firearm. Walter Coy received a plaque for harvesting the largest white tail with a muzzleloader.

Property: Dave George reported he will be wrapping up the inventory and will provide it to Tony Barnett for the web site.

Wildlife: Marlene Smith reported that the DNR web site shows Maryland and Virginia now have reciprocal fishing guide licenses with no additional fees but an alternate state permit is required. Millington Wildlife Management Area in eastern Kent County is a 4,000 acre parcel. They are allowing hunting of deer, quail, rabbit, turkey, etc. It’s on a first come, first enter basis. Information is on the DNR web site. Ms. Smith reported that the fundraising banquet to support St. Charles Sportsman’s Club will be held on June 13 and more members need to be involved, by attending and volunteering. The initial mailing went out in April but the response has been extremely slow. We have 11 guns and a Defender 10 point crossbow for the auctions and 63 big items for the live and silent auction and raffles. We are also looking for underwriters, people who can offset our costs for the items we had to purchase. Committee chairmen, please take brochures and pass them out to your match attendees. Please sign up and support this affair.

Black Powder: Tony Orlando reported that he has held two matches so far this year. The first match was cancelled due to the weather. Cash prizes are awarded for first, second and third place. Please come down and join us.

Cowboy: Steve Goldman reported that he shot in the rain but collected $120.

Grounds: Roger Hall reported that Tom Green was injured while surveying property the club. He is feeling better. We repaired the plates for the Glock match and the stands. Randal Browning repaired the roof on the activity trailer and the trap house extension. The gong was repaired. We are only taking safety issue and it will be repaired.

High Power: John Leber reported the weather was bad at their last match. They had 7 shooters. They shoot the first Sunday of the month.

Indoor Range: Randal Browning reported they are in their seventh week of their 22 league with 22 shooters participating. A new match will start on Tuesday, June 3. On April 22 we had a ladies’ night with standing room only, 17 ladies come out, experienced and first timer shooters. Ten were non club members. On May 1 we did a lead abatement for 4½ hours. We removed the lead, power washed the walls and backdrop, replaced filters, replaced plastic sheeting in the back.

IPSC: Andy White reported that IPSC had 22 shooters at their last match, six of whom were club members. Anyone interested in shooting with us, please send me an email. Pending membership approval, we will move our May match to the 31st. Setup will be at 7 a.m. and we shoot at 10.

Junior Rifle: Perrin Lewis reported that Junior Rifle is the first Sunday of the month right after high power. We had 4 kids come out for our May match. Any kid 6 to 18 can shoot and is responsible to handle a rifle.

Legislative: Gus Steinhilber reported that he received a letter from the Senator representing Frederick and Washington Counties. He will support license to carry and shall issue and other legislation that we have supported. Mr. Steinhilber mentioned that we need to be speaking of our issues with legislators when we meet them at our picnic or in other places.

Membership: Dave George reported that citizens 62 and older can get a free permit to enter any park in the state of Maryland from the DNR web site. It’s called a Golden Age Pass. There are currently 20 people who have not renewed their membership. He introduced three prospective members for approval: Justin Kina, Harry Dugan and James Dugan. The gentlemen were asked to leave the room and a motion was presented to accept them into membership. The motion was seconded and passed and the new members were welcomed into the club.

Shotgun: Peter Buckingham reported shotgun could use a few more volunteers to help out on Sundays. Shotgun is a really good committee to be on there are a lot of really good guys. It’s a full day’s work and you get excellent discounts on shooting.

Silhouette: Brian Rehm reported that the first match of the year had a really good turnout. The scouts kept us on time. We turned in $135 to the club and the scouts made about $80 of that. The next match is in June.

Range Committee: Tony Barnett reported that he is in the process of putting together a formal request for information that will be going to engineering and environmental firms, those recommended by NRA and ACPT, to request information and initial estimates of costs for their services. We are trying to get some information back so we can make a selection of the best and most qualified candidate. This should be done in the next three days. I will be requesting discretionary funding for the range under new business. Once that is set up I will be providing regular reports to account for the funding.

Middleton Hall: Peter Buckingham reported the hall is doing good, bookings are coming in. Improvements have been made to the outside, chairs will be recovered, doors fixed. Landscaping will be changed and cleaned up. Thermostats will be replaced with programmable types to save on electricity bills. We are economizing to keep costs down.

Unfinished Business: Peter Buckingham read a motion by Jim Pollock, Chairman of the Mountain Property, printed in the *April Recoil*, to obtain $7500 from the Land and Building Fund to construct a roadway and building pad on the mountain property. Jim Pollock spoke first in support of the motion, and after further discussion, the motion passed.

Peter Buckingham presented plaques to Andy White, IPSC, as Committee of the Year, Tony Barnett as Treasurer, Elaine Costello as Key Member of the Year, and Perrin Lewis as Member of the Year.
New Business: Peter Buckingham announced that Jose' Torres has accepted the chairmanship of the Indoor Range.

Allen Harper made a motion to open the nominations for Publicity Director. The motion was seconded and Mr. Harper nominated James Bird to the position. The nominations were closed and a vote was called. Mr. Bird won by a majority of the members voting.

Andy White read a motion, printed in the April Recoil, to move the IPSC match to May 31. A vote was called and the motion passed.

Tony Barnett made a motion, which was seconded, to appropriate $5000 from the SCSC Land and Building Fund to provide discretionary funds for the Range Committee. These funds will be used by the RD committee to fund, as required, studies, consulting, and to initiate the process of selection and retaining a professional engineering and environmental consulting firm to assist with required:
- Range analysis and engineering
- Environmental studies and support, as required by state and local government regulations
- Range layout and design
- Range cost estimates and planning

This motion is read into the minutes for publishing in the Recoil and must be voted upon at the June Membership meeting, per SCSC bylaws.

Tony Barnett made a motion, which was seconded and passed, to appropriate $1000 from the general fund to begin the process of acquiring NRA range consulting support (e.g., a site visit, recommendations, etc.). These funds will be reimbursed from the Land and Building Fund if the pending Land and Building funding motion is approved at the June Membership meeting.

Charlie Embody stated he received a communication from Glock saying they would not be supplying the canopies or clip boards and other items they normally supply for their match. We have several choices. The club can either buy these items or we can hold Glock to the agreement of supplying them. We have to make a decision if we want to spend $1300 to buy canopies and clip boards to put on this match or we cancel the match. Glock would like an answer immediately. After some discussion, concerning Glock’s ability to supply the items, a motion was presented to contact Glock and tell them that we expect them to adhere to their agreement and supply the items they agreed to or we would have to cancel the match. The motion was seconded and passed. Mr. Buckingham will contact Glock tomorrow and also ask them to provide proof of liability insurance.

Good and Welfare: Ed Winters asked about the trespass situation. The Board is working on a registered letter to the trespassers after No Trespassing and warning signs are posted. The signs are being made now.

Randal Browning made a request to create an Outdoor Range committee who could monitor membership usage of the outdoor range on Sundays. The committee was created by the president and Randal Browning was appointed chair. Other members are Ed Eisenbrey, John Leber, Roger Hall, and Charlie Embody.

Marlene Smith reminded members that anyone can come to the banquet, not just members of SCSC. She asked that members invite friends and others.

The 50/50 of $53, was won by Perrin Lewis. Phil Lang won the workers drawing for Silhouette committee.

The meeting adjourned at 9:28 p.m. Respectfully submitted, Elaine Costello, Secretary.

Synopsis of SCSC Board Meeting
May 20, 2009

- Work on the mountain property is complete.
- The SCSC fundraiser banquet, to be held on Saturday, June 13, is progressing smoothly. A list of door prizes and items to be auctioned is printed in this issue.
- Allen Harper is working diligently with the local community college on the SCSC scholarship program.
- Funds were allocated to repair the range pickups.
- Emergency range closures, requested by ACPT, will be posted on the SCSC web site and an email will be sent to members who provided email addresses.

First Vice President’s Report
Frank Fruh

All 2008 awards and certificates have been given out. If there are any errors or problems with the award(s) you received, please contact me immediately.

The SOP committee is seeking one new member to replace Ed Winters, who has undertaken other projects. We have several new SOPs to develop.

Treasurer’s Report
Tony Barnett

All committee chairs are reminded that funds collected as a result of committee activities are due monthly (or within 30 days of the event). Event paperwork must include a list of participants, their SCSC member number (or other affiliated club membership number), the amount paid, and the total income. The committee financial report must also include a detailed, itemized listing of all expenses, and must include receipts. All paperwork and collected funds must be turned in monthly, with the required supporting paperwork. Incomplete reports or reports without receipts will not be accepted, and reimbursement will not be paid without supporting paperwork. Committee chairs are also reminded that their monthly expense reports for reimbursement cannot exceed $100 without approval by the membership or the Board, as appropriate. New financial procedures are being developed to enhance our ability to track funds, to ease the process of annual tax preparation, and to more precisely account for all club expenditures. Once finalized, these procedures will be communicated to all committee chairs who collect and turn-in proceeds for committee activities (e.g. Shotgun and Cowboy).

SCSC Web Site
(www.STCharlesSC.com)
Tony Barnett

The annual club activities calendar can be viewed on our web site, stcharlessc.com. Contact Tony if you have any questions, comments or suggestions on our site. Members-only password is: scscmember.
The club newsletter, *Recoil*, is available in the member section of the SCSC web site at stcharlesssc.com. Copies of the *Recoil* are available online from January 2002 to present. The latest *Recoil* is generally posted to the web site about the same time that it goes to the printer. You will need Adobe Acrobat Reader in order to download, read, and print the *Recoil*.

**Committee Reports**

**Cowboy Action**

Steve Goldman

The May Cowboy Action Match was almost canceled because of heavy rain and muddy conditions. Six cowpokes shoot the match which made $55. The next Cowboy Action Match is Saturday, 13 June 09. Setup is Friday 12 June. Set up starts at 1600 and takes approximately an hour. The range is closed for the match and set up. If you are pressured to work your mandatory 16 hours/year come and learn about cowboy action stages and the targets. By helping us you will get some fresh air and exercise. We set up three stages and shoot each stage two ways to give the required six stages. The fee for a match is $5 for SCSC members and $10 for non members. We use six guns, lever action rifles and double barrel or pump shotguns. Firearms and ammo are from the late 1890 or early 1900. On Saturday registration starts at 0800 and the match begins after the safety brief at 1000. We are usually done, targets put away and headed home by 1400.

**High Power**

Russ Levin

There was rain, then more rain, then more rain. A rather large boat measuring so many cubits floated by. Since the weather was more conducive to Noah launching his historic vessel, only seven stalwart folks showed up for the match. In a way that was good because it leaves more targets for the next match. Alright folks, if the sun is shining I expect to hear many boom boom....got it???

**Hunter Safety**

Cindy Perkins/Marlene Smith

Our next, and last, Hunter Safety Education class for this year will be August 11, 12, 13 and 15, 2009. Please let anyone you know who might be interested to get them in this class before the fall hunting season begins! Call Cindy Perkins and Marlene Smith (their numbers are listed in the Recoil) for more information on registering.

**Indoor Range**

Jose’ Torres

Well this Ladies Night went really well, we had 9 RSO’s on hand to give safety briefing to the Shooting Ladies and answer the many questions they had about shooting sports. 17 Ladies showed up for a night of basic familiarization with various firearms in various calibers. The night ended with the Ladies inquiring about additional training, where was the next gun show and some asked up joining the SCSC.

**Lady Shooters**

Marie Sidler
Elizabeth Redwing
Jan Adkins
Penny Lewis
Wanda Delia

**RSO**

Alan Harper
John Griffiths
Sharon Griffiths
Perrin Lewis
Randal Browning

**IPSC**

Andy White

IPSC will hold its match on May 31st. Due to the match being moved our report will be filed in next months *Recoil* for our May match. If anyone is interested in IPSC, shooting or helping, please contact Andy at andrew_f_white@yahoo.com or check out USPSA.com. I can give you all the info you need. We can always use more club members to come out and I promise you IPSC is the most fun you can have with a handgun. I hope to see you out there.

**Junior Rifle**

Perrin Lewis

The St. Charles Sportsman's Club Junior Rifle program is open to kids age 6 to 18 years of age and is free of charge. The goal of the program is to teach basic rifle marksmanship and firearm safety. Junior rifle will be held on June 7th at the Outdoor Range. We will be starting at 12:00 Noon and we normally shoot for about 3 hours. If anyone has any questions or would like to help out, please contact Perrin Lewis at 301-638-1230 or by e-mail mdeng0014@verizon.net. Preregistration is not required but is appreciated. I can always use the help of the members. Just a reminder to those who have been members for less than two years you are required to work 16 hours for the first two years of membership. Junior Rifle is a great way to get these hours taken care of. If you are not able to make it out to the range on these dates I can find other things for you to do at your convenience. Thanks again to all those who have come out to help I can not run this program without your help.

**Note:** SCSC has a limit of 450 Regular members. As Regular members resign, Associate members (based on the order in which they joined) will be given the opportunity to upgrade to a Regular membership.

**NRA Information Needed**

SCSC must maintain 100% NRA membership. Please check your *Recoil* label for (NRA? and/or Date?) to determine if your NRA information is current. The following members renewed
their SCSC membership but have NOT provided current NRA information. Per SCSC bylaws, members must be current NRA members to retain membership in SCSC. Letters have been sent requesting NRA info. New membership cards will not be issued until NRA info is received.

Adams, Gregg  McGarvey, Francis J.
Oldland, Jan Richard  Dugan, Harry F.
Smith Sr., Edward L.  Randall, Randy B.

Memberships Cancelled for 2002 (41 Total)
The following members have resigned as of May 6th or have had their memberships cancelled for lack of renewal. Regular members resigning in good standing may rejoin at a later date without having to pay the initiation fee (assuming there is a vacancy). Associate members will move to the top of the Associate list ahead of newer members who joined after them.

Outdoor Range Committee
Randal Browning

At the May meeting our President appointed an Outdoor Range Committee. Since Randal Browning brought the issue up, he ended up as the committee chairman. As this is a new committee there will be a period of development as we begin to establish committee policies and procedures. This committee was formed in response to concerns about unauthorized use of the outdoor rifle range when the gate is open for the public on Sundays. The immediate task is to provide Range Officers on the 2 or 3 Sundays a month when there are no events (High Power/IPSC) when the main gate is open for Shotgun. When a Range Officer is on duty, there will be a sign posted asking members to show their ID in the Range House. We have a sign in sheet and the SCSC liability waivers for guests to sign.

I would like to thank John Leber, Roger Hall, Charlie Embody, “Doc” Edward Eisenbrey, and Steve Haimbach for eagerly joining our committee. We have plenty of opportunity for service to SCSC. If you are a new member this is a great way to do your required hours. If you are a regular user of the outdoor range facilities we’d love to hear from you. What better way to help the club than to act as a Range Officer while you enjoy an afternoon of sighting in your favorite rifle?

Scouting
Russ Levin / Ed Teleky

May rocked……as in Rock Climbing! The troop had an absolutely spectacular weekend of fun camping and rock climbing in Great Falls, VA. This month as the Scouts finish up school for another year, the SCSC BSA Troop stays local with 2 campouts at the SCSC Outdoor Facility. On June 5-7 our newest Scouts will participate in their second campout where they will focus on learning basic scouting skills and then on June 19-21 the troop will work on their patrol campsites and enjoy a weekend of fellowship and fun. The SCSC Boy Scout Troop is open to boys 11-17 and participates in many outdoor adventures each month as citizenship, teamwork and family values are reinforced. For information contact Scoutmaster Ed Teleky at eteleky@hotmail.com or 301-646-9876.

Shotgun Report and Work Schedule
Peter Buckingham, eringrp@comcast.net, 301-646-5300

Shotgun took in $705 for the month of April. “Team - D” was the top Team with $224. Shotgun is doing well for now, we could still use a few more shooters to keep the Trappers busy. The last slots for trappers are going fast. Shotgun Committee is “the very best” Committee to serve the club on. If you are a shotgun enthusiast, really good discounts for Skeet, Trap and Sporting Clays are the order of the day. OJT provided on site and free lunch for all Trappers on their weekend. It would be hard to find a better deal in all of SCSC. We even teach you how to shoot the shotgun games, for free too!

The range will be available for member use after scheduled matches are complete. Call the chairman of the activity at the range office for an approximate ending time.

301-645-1148
St. Charles Sportsman’s Club

Cordially invites you to join us at our Fundraising Sportsman’s Banquet

Saturday, June 13, 2009
6:00 p.m. till 11:00 p.m.
Middleton Hall

We are only one week away from our fundraising banquet! The excitement is building and we have an incredible list of items (listed here below) that we have been very fortunate in obtaining from supporters not only from our own communities, but all over the country! We are sure you'll agree that there will be something for everyone! We have attached an order form for your use, or for anyone you know who might be interested in attending this evening of fun while benefiting our club. We need everyone’s support in making this evening a success!

There is still time to underwrite an item. That is, contributing to pay for an item that we've had to purchase for our auctions or raffles, and in turn, for that contribution we will recognize your family, or even a remembrance of someone dear to you by listing as an "underwriter" for that particular item(s). You can indicate which you would want to do and we will place a card by that item and in our program with the underwriter information listed.

**LET'S ALL SUPPORT SCSC WHILE HAVING A FUN EVENING WITH OLD AND NEW FRIENDS!!**

**Pre Banquet Raffle**
**Beretta 3901 American Statesman 12 ga 28” MC3**
1 chance for $10 or 3 for $20

Your banquet entry ticket will have a number assigned and we will be drawing those numbers throughout the evening for discount and free coupons from some of the area restaurants, large discount chains, automotive repairs, book sets and many more items.

Take advantage of this opportunity to give something back in support of the St. Charles Sportsman’s Club while having fun and maybe winning a gun or other delightful prize.
