President’s Corner

Mr. Mark McFarland from St. Charles Communities LLC attended our last Board meeting to bring us up to date on the status of the secondary clean-up, the lease agreement, and the on-going timbering of some of the property. More details are in the Recoil and will be presented at our next meeting.

A tip: Please remove all deer stands from all the property so that they are not lost to selected timbering or clearing events.

Business at the Hall is improving – certainly a good thing!

A reminder to all officers and committee chairs: Please submit your yearly reports to me as soon as possible so I can consolidate them into a club yearly report for the April meeting.

Along those same lines ANY member wishing to 1) continue in an elected position; 2) continue in an appointed position; and 3) wishing to be considered for #1 or #2, should contact First Vice President, Marlene Smith, as soon as possible so her nominating committee can prepare for the election at our April Annual Meeting.

Please attend the annual meeting to voice your opinions and cast your votes!

Meanwhile, please enjoy the Spring/Winter/Spring/Winter weather we are having!

Respectfully, Frank

PROPOSED BYLAW CHANGE
A bylaw change has been proposed to change the bylaws regarding membership and the need for a member sponsor for potential members. This is a proposal to allow non sponsored applicants to become members of SCSC. Please review the proposed change and be ready to discuss it prior to a vote at the March membership meeting. Further information can be found in the February membership meeting minutes on page 3 of this Recoil.

Points of Interest Continued

The applicant’s name and sponsor (if sponsored) will be published in the Recoil (newsletter) prior to presenting them for a membership vote at the next regular membership meeting. Applicants will be invited to attend a membership meeting. The applicant and their sponsor (if sponsored) must be present to be voted in. The sponsor shall introduce the applicant to the membership and tell a little about them. Applicants without a sponsor will introduce themselves to the membership and share their reason(s) for joining.

A two-thirds (2/3) vote is required from the membership present for acceptance. All members must maintain an active membership in the NRA (National Rifle Association). Upon renewal of SCSC membership, a new membership card will not be issued until current NRA information is provided. Failure to renew NRA membership by the July board meeting will result in termination of membership. When Regular membership limits have been reached, applicants must join as an Associate and be placed on a waiting list, if they choose to upgrade. When a Regular position is available, the next most senior Associate (upon payment of the balance of initiation fee), will be upgraded to a Regular Membership. All new members are required to fulfill sixteen (16) hours of work per year for the first two (2) years of membership.

MEMBERSHIP RENEWAL
Membership renewal has opened for 2012. Regular Membership renewal is $150 and Associate Membership renewal is $300. Please complete the form in this issue and include payment in full, check or money order payable to St. Charles Sportsman’s Club or SCSC. Mail it to the address on the form or bring it to the membership meeting. To avoid late fees, dues must be paid no later than Wednesday, March 7, 2012. Any dues payment received after this date is subject to a $25 monthly late fee. If your NRA membership on file is no longer current, please provide the updated information below and include a copy of your new NRA membership card. SCSC members must maintain current membership in the NRA. As members are dropped from the club, the members remaining are reassigned new numbers based on date joined starting with R001 (Regular) and A01 (Associates). The new number will be reflected on your membership card.

FRIENDS OF THE NRA DINNER AND AUCTION
This year’s dinner and auction will be held on Saturday, March 3, 2012, at Middleton Hall. Festivities start at 4:00 p.m. for previewing the auction items and mingling with friends. Games begin at 5:00, dinner and auction begin at 7:00. The brochure and ticket order form will be mailed to the membership. Fill out the form, attached your check, and send it in, or bring it to the next meeting and give it to Perrin Lewis or Frank Fruh, co chairs of this year’s event. Standard auction items can be viewed at www.friendsofnra.org. Expect to see extra special silent auction items and bucket prizes at the event.

HUNTER SAFETY CLASSES
Hunter safety classes will be held on April 10, 11, 12, and 14 and August 14, 15, 16 and 18. Registration will be two weeks before each class. Further information will be forthcoming. If interested, contact Cindy Perkins, 301-884-4082, scschunt-ed@comcast.net or Marlene Smith, 301-523-0973, jo3smi@msn.com.

Junior Rifle: Perrin Lewis reported Junior Rifle shoots the first
Sunday of every month at 1 p.m. at the indoor range. The
shoots are sponsored by the club and a parent must accompany each child and a waiver must be signed.

Legislative: Ed Winters reported Maryland Senate Bill 64,
gives the secretary of the state police the responsibility to notify registrants in writing of the requirement to renew the
registration of machine guns and to furnish an application form at the applicant’s request. House bill 45 seeks to give the
secretary of the state police the burden of proving that an applicant for a handgun permit does not have a good and
substantial reason to wear, carry or transport a handgun. Currently the applicant has the burden of proving that she/he is
qualified. Call your state senator and delegate regarding these
two bills.

Membership: Dave George presented two applicants for
membership consideration: Cory Frye sponsored by Frank
Fruh and Roger Nestor sponsored by Clay Starner. After brief
introductions, the perspective members were asked to leave the
room. Tom Scheid made a motion to accept them into membership. Marlene Smith seconded. A vote was called and the motion passed. The gentlemen were welcomed into the club.

Old Business
President Fruh stated that he and Marlene Smith have a
meeting with ACPT on Thursday to discuss the land lease and
range cleanup issues. Information from this meeting will be
passed on to the membership. Regarding land acquisition, that
depends on the results of tomorrow’s meeting. Hopefully we
will be able to proceed on all three fronts.

The boy scouts are still seeking storage space for their
equipment. They are currently renting space. If anyone has extra space and can help them out, please let Frank know.

We have had no feedback from Charles County’s Assistant
Administrator regarding land for sale or rent. During my initial
contact with the Administrator in December I explained our
mission and the operations of our organization, that we are
deeply embedded in the community with Boy Scouts, 4H,
ROTC, Ladies Night, etc. We are seeking the County’s help in
locating some acreage we could use for hunting or a range site. The County is in the process of selling and maneuvering
acreage now and they promised to get back to us. We will
pursue all possibilities.

Randal Browning recalled the potential bylaw change, as
printed in the Recoil, to remove sections of the bylaws which pertain to general operational issues of the indoor range.
These items are currently included in the indoor range Standard Operating Procedures. After discussion including enforcement of SOP requirements, Tom Scheid called for a
card vote. Membership cards were shown and the motion passed. The bylaws will be updated and put on the SCSC web site.

Regarding updating the contract with the sheriff's department’s
use of the indoor range, the letter was delivered to the
department on Monday. It will be signed by the Sheriff and returned to us for our signature. It includes an increase in the
hourly use rate and a few additional maintenance issues. If the board approves the contract, it will be signed by SCSC.

Bids have been received for refurbishing the SCSC sign on the
outside of Middleton Hall. Frank made a motion to spend up to
$450 to refurbish the sign, if it is an SCSC expense. If it turns out to be an S&K expense, no money will be spent from SCSC.
After a second and some discussion, the vote was called and the motion passed.

Dave George presented a motion to change the bylaws regarding membership and the need for a member sponsor for
potential members. This is a proposal to allow non sponsored applicants to become members of the Sportsman’s Club. The
change will be published in the Recoil for a vote at the March membership meeting. Since 1999 we had 629 new members.
Our highest membership year was 2006 with 549 members. Currently we have 475. In 2004 we have 91 new members
come through the club. In order to return to our high membership count, we need to allow members without
sponsors.

Basic changes are: a member must know an applicant for at
least a year; and a criminal background check for non-sponsored applicants through the same company that Paul
Goodwin has used for his church. The $40 fee will be paid by
the applicant. Negative findings would be presented to the
SCSC board for review. There is an appeal process. The
background check information will be kept confidential with the
board and membership chairman.

The proposed bylaw change:

SECTION IV - APPLICATION FOR SCSC MEMBERSHIP
Any person of good character, regardless of sex, race, religion,
creed, or nationality, may apply for SCSC membership.
Applications for membership are submitted to the Membership Chairperson.

Applicants with a Sponsor - Applicants may be sponsored by
an SCSC member in good standing, assuming the sponsor has
known the applicant for a minimum of one (1) year.

Applicants without a Sponsor - Applicants without a valid
sponsor may apply for membership only after consenting to a
criminal background check and paying the associated fees.
The Membership Chairperson will provide the consent form,
obtain approval from the applicant plus fee and submit request
for a background check. Should the background check uncover
negative findings as defined in the signature section of the
application, the SCSC Board will be notified and a decision
made to continue or decline the request for membership. If
declined, the application will be dropped and the applicant
notified of the decision. The applicant can request reconsideration within 30 days by providing a written statement
to the SCSC Board.

Application Process - All applications for membership are
presented to the SCSC Board of Directors at their next regular
meeting (held the third Wednesday of each month). The
Membership Chairperson shall receive, log, track and present
the applications. If the application is declined by the board, the
applicant will be notified.
The applicant’s name and sponsor (if sponsored) will be published in the RECOIL (newsletter) prior to presenting them for a membership vote at the next regular membership meeting. Applicants will be invited to attend a membership meeting. The applicant and their sponsor (if sponsored) must be present to be voted in. The sponsor shall introduce the applicant to the membership and tell a little about them. Applicants without a sponsor will introduce themselves to the membership and share their reason(s) for joining.

A two-thirds (2/3) vote is required from the membership present for acceptance. All members must maintain an active membership in the NRA (National Rifle Association). Upon renewal of SCSC membership, a new membership card will not be issued until current NRA information is provided. Failure to renew NRA membership by the July board meeting will result in termination of membership. When Regular membership limits have been reached, applicants must join as an Associate and be placed on a waiting list, if they choose to upgrade. When a Regular position is available, the next most senior Associate (upon payment of the balance of initiation fee), will be upgraded to a Regular Membership. All new members are required to fulfill sixteen (16) hours of work per year for the first two (2) years of membership.

President Fruh stated this proposed bylaw change will be printed in the Recoil and discussed and voted on at the March membership meeting.

Good and Welfare

Perrin Lewis reported the Friends of the NRA banquet will be held on Saturday, March 3 at Middleton Hall. It will include live auctions, silent auctions and games. All proceeds go to the Southern Maryland Shooting Sports youth shooting groups. Frank Fruh stated this year we are going to host two tables for wounded warriors.

Randal Browning stated that Sanner’s Lake will have a tactical shotgun match on Sunday, February 5 starting at 10 a.m. They follow IDPA multi gun rules.

Paul Goodwin shared his feelings on recent political attack ads and suggested the club maintain a unified voice. So long as we stick together and work together, we will get the range built.

Please tell anyone being negative to stop.

Ron Frye stated he is taking his LaPlata ROTC air rifle team to the national championships in Ohio. We could not have done this without the support of SCSC and their indoor range.

President Fruh introduced Mark McFarland of St. Charles Communities who gave a presentation on the status of the lead cleanup at the old range site and an update on the current timbering actions.

Randal Browning presented findings on the need for a lead compliance program for the indoor range.

Randal Browning submitted recommended changes to the indoor range SOP for board review.

SCSC will host Wounded Warriors at the Friends of the NRA banquet. The Warriors will enjoy lunch, shoot at the indoor range, and join us for the banquet.

Dave George presented two potential members for board approval, Gary Stroud sponsored by Tim Bready and Andy Young, sponsored by Tim Bready. Dave George made a motion to accept the applicants for presentation to the membership. Elaine Costello seconded, a vote was called and the motion passed.

Dave George reported a consolidated resident hunting license is projected to increase to $95. A free license is available for hunter safety instructors.

The non-sponsored membership bylaw change will be printed in the Recoil and voted on at the March membership meeting.

Calling all RSO’s and indoor range volunteers! My last column as Chair is dedicated to you. The many aspects of your volunteerism have not gone unnoticed and I have appreciated each and every one of you for helping out over the last two years. To those who served the membership by working the indoor range on a weekly basis, thank you! To those who have dedicated their time and expertise on Ladies Night, thank you! We couldn't have had these events and daily operations
without you. To those who helped with lead clean-up, maintenance, as weekly fixer-uppers and fill-in RSO’s, thank you! It has been my honor to serve with such an exceptional and talented group of people. Thanks to all of you!

**Scouting**

*Jeff Kensinger*

Last month your Boy Scout Troop spent a weekend at Solomon’s Island working on the Communications Merit Badge. At the beginning of February the Troop traveled to Timberline ski resort in West Virginia for a weekend of skiing (yes there was snow). Next month we have 2 outings. We will have a camp out specifically for our newest Scouts to begin working on their basic scouting skills (we have 9 new Scouts joining our Troop). We are also going to Skyline Drive to camp near the Appalachian Trail and spend a weekend getting ready for a more aggressive outing in the near future. The Troop, which is open to boys 11-17, meets every Thursday night from 7 to 8:30pm at Jenifer Elementary School on Berry Rd. For more information contact Scoutmaster Jeff Kensinger at 301-645-1154 or email at jsken1963@aol.com.
