President’s Corner
I want to thank each of you for your vote of confidence by re-electing me to lead the Club through April 2014. This coming year will be busy for your Board and hopefully for the membership. We welcomed three new members to the Board and had some “Change seats.” Jim Pollock left the Board after serving as Huntsmaster for 17 years! We should all thank him for his extraordinary service to SCSC! A sincere “thank-you” from me to Jim for his support during my terms in office! Your new Board has already met and are off and running with several ideas that should benefit us all.

**Membership Renewal**

Membership renewal continues for 2013. Regular Membership renewal is $150 and Associate Membership renewal is $300. Please complete the form in this issue and include payment in full, check or money order payable to St. Charles Sportsman's Club or SCSC. Mail it to the address on the form or bring it to the membership meeting. Dues payments received now are subject to a $25 monthly late fee with termination after the May 1st membership meeting. If your NRA information on file is no longer current, please provide the updated information and include a copy of your new NRA membership card. SCSC members must maintain current membership in the NRA. As members are dropped from the club, the members remaining are reassigned new numbers based on date joined starting with R001 (Regular) and A01 (Associates). The new number will be reflected on your membership card.

**Additional Indoor Range RSOs Needed**

Any member who would like to become an RSO to volunteer at the indoor range, please contact me. If we cannot get additional RSOs, the Indoor Range may eventually have to reduce its hours. The information to become and maintain the RSO status is stated below. We will attempt to sponsor another NRA RSO class in the near future.

1. To become an RSO, the member must attend a NRA certified Range Safety Officer Course. They will have to complete at least 16 hours of work with a current RSO, complete a RSO checklist and they must have the Chief Range Safety Officer sign off on their performance.

2. In order to continue to have the privileges associated with being an RSO, the member must sign up for at least 8 hours of Range Work or RSO duty every three months. Members who cannot perform the required hours, without a good and substantial reason, will not be permitted to continue as an RSO.

3. All RSOs must review the Lead Safety Program that will be placed on the computer located in the Observation Room. All RSOs are encouraged to follow the safety rules concerning lead exposure and handling.

**Membership Meeting Minutes**

**Wednesday April 3, 2013**

President Frank Fruh called the meeting to order at 8:05 p.m. Scouts of Troop 424 presented the colors and led the membership in the Pledge of Allegiance. Paul Goodwin offered the invocation. All board members were present except Tony Barnett, Treasurer, Phil Lang, Conservation and Ed Winters Vice President. Sixty-eight members and guests were present, 42 signed the roster.

**President Frank Fruh** presented his 2012 report. 2012 has been a busy and rewarding year! Even though we bumped through several potholes! Middleton Hall showed a small profit for 2012, the first in about three years! This allowed for a few repairs and upgrades to be planned or completed. Our Hunter Safety Ed Committee held two at capacity classes. But we are losing our Chief Instructor, Marlene. It has been a long 2.5 years since we closed our outdoor range. We have a strong committee seeking new locations and we have approached the County for help. ALL are asked to scout for range property. The Indoor range committee held several pistol league sessions, and hosts a growing lady’s night program. They started the year supporting one High School JROTC Air Rifle team and ended the year supporting two JROTC teams. During 2012 they maintained RSO-manned shooting days at the Indoor Range at four days a week, using 21 RSO’s. Indoor range usage continues to increase. Consider helping out this small and very dedicated group of hard-working members. Thank-you RSO’s!

Junior Rifle has had an outstanding year. They continue to work with one of the largest groups ever. This is another place members can be of help. Thank you to Perrin Lewis and Steve Haimbach. Annual Picnic was held in September (the crabs and shrimp were great!). Thank-you to Rick Nichols and his wife, Mary Ann. At their request, we stopped sponsoring Scout Troop 424. Range Clean-up meetings continue to be regularly held with St. Charles Communities. We still have access to about 2500 acres to freely hunt. We are looking for more places to hunt! We continued to host the Charles County Sheriff at the indoor range all year, providing a place for Law Enforcement proficiency and retired officer training.

We closed the 2012 membership year with 405 members; we had 21 new members since Apr 2011; currently, 76 - have not yet paid 2013 dues (which is about normal). We had 6 deceased members. I attended 4 of the funerals. I continued to attend local meetings and business group gatherings to promote both the Club and the Hall within the Southern Maryland area. We have established communications with Tanner’s Lake sportman’s Club and talk frequently about outdoor ranges and activities. We continue to speak with our state Delegation and provide them with data to fight the proposed gun bills. We held 12 regular meetings, 12 regular Board meetings and 7 special Board meetings.

I’d like to close by saying “THANK-YOU” to the membership. A Special Thank-you to the Board members for their continuing support. It has been an interesting year from where I sit! It has been my privilege to serve for and with you all.

**Second Vice President:** Paul Goodwin stated that we need an outdoor range. It will take all of us working together to get a new range up and running. Several previous members have mentioned that they will rejoin the club once we get a new outdoor range. This is bull. We are brothers in arms, we serve together. This is not the time to cut and run. We are looking at two pieces of property. We are on the cusp of having our own range for the first time in the history of the club. A place where we can build a range and won’t have to listen to anything from anybody because it will be our own property. I encourage you to stay the course, don’t back down, stay in the fight. A member asked what size property we are looking for. President Fruh answered, 100 acres and above. President Fruh stated that monies we will use to purchase a piece of property comes from membership dues. As we lose members we lose income. The more members we have, the more income we have to purchase property.

**Secretary:** Elaine Costello made a motion to accept the March 6, 2013 membership meeting minutes as printed in the *Recoil*. Steve Haimbach seconded the motion. The vote was called and the motion passed.
Treasurer: In the absence of the treasurer, President Fruh provided copies of and explained the February monthly income summary report for Middleton Hall. He provided copies of and reviewed the SCSC income and expense report for March.

Committee Reports
Conservation: President Fruh reported Phil Lang is still in rehab for an extended period. He requested his name be removed from the ballot as Conservation Director.

Membership: Dave George reported we have 55 members that have not renewed which is about average. We have had 35 resignations. We have two applicants to present for membership approval: James Thomas sponsored by Pat McGinnis; and Daniel Gibson sponsored by Adam Britt. After brief remarks by their sponsors, the perspective members were asked to leave the room. Brian Malpasso made a motion to accept the candidates into membership. After a second, the vote was called and the motion passed. The new members were welcomed into the club.

Hunter Education: Marlene Smith stated she will no longer serve as chairman but has a replacement and once the DNR requirements are fulfilled, he will be introduced. He will create a schedule of classes for this year. Please see Pete Charney or Brian Rehm if you want to take a class this Spring.

Indoor Range: Rick Nichols reported 56 members and 24 guests used the indoor range in March. Anyone interested in becoming an RSO, please let me know. We are planning a RSO and pistol instructor class. Randal Browning and Al Horn will assist me in teaching the classes. We need the help whether you are NRA certified or not. You can begin as an assistant RSO. President Fruh stated we are also working on CPR and first aid training. A member asked the cost of the RSO class. President Fruh said the only cost would be the materials provided by NRA. There will be no additional fee.

Junior Rifle: Perrin Lewis reported Junior Rifle meets the first Sunday of every month from 1 to 3 p.m. We need one additional RSO for this coming Sunday.

Land Acquisition: Marlene Smith reported the 235 acres in Brandywine is still being considered. We are deciding whether to submit another bid. We need to get our bank financing in order but before we do that we need to get a tentative acceptance of our bid from the seller. There is a 600 acre plot off Acton Lane but the price is $14,000 per acre, out of our reach. Smaller parcels can be purchased, but some of the acreage has been sold and we don’t know who has bought it or what they will build there. Hopefully by the next meeting we will have more concrete information.

Mountain Property: Jim Pollock stated he will form a work party at the mountain property once the weather warms up. If you are interested in helping, please give me your name and phone number and I will contact you when we are ready to make the trip.

Old Business: President Fruh reported Senate Bill 281 has been passed out of the house and sent back to the Senate for review of house amendments. We don’t know what the outcome will be.

Dave George reported the extension of Piney Church Road has begun, passing through the middle of our hunting area. All trees have been removed from both sides of the road.

Treasurer’s Report
Marlene Smith
All committee chairs are reminded that funds collected as a result of committee activities are due monthly (or within 30 days of the event). Event paperwork must include a list of participants, their SCSC member number (or other affiliated club membership number), the amount paid, and the total income. The committee financial report must also include a detailed, itemized listing of all expenses, and must include receipts. All paperwork and collected funds must be turned in monthly, with the required supporting paperwork. Incomplete reports or reports without receipts will not be accepted, and reimbursement will not be paid without supporting paperwork. Committee chairs are reminded that their monthly expense reports for reimbursement cannot exceed $100 without approval by the membership or the Board, as appropriate.

[ ] **DO NOT RENEW MY MEMBERSHIP - I HEREBY RESIGN FROM THE CLUB (SCSC)**

I have enclosed my gate key and any other Club property issued to me while a member. I further understand I have relinquished all rights and privileges of membership in the St. Charles Sportsman's Club and will not use the facilities or property except as a guest of a current member or while participating in a function open to the public. I understand that for me to be able to return to the club at a later date as a regular member (if
currently a regular member), I **must resign in good standing PRIOR TO the Close of Business of the MARCH 6th, 2013** membership meeting. Otherwise, I must rejoin as an associate member and be placed on the list to upgrade to a Regular membership.
