The October membership meeting was a very informative time and all who attended seemed to enjoy the business part of the meeting as well as the companionship of the other members. The Scouts reported they had a very successful fund raiser in September and, after expenses, raised $7,908 for the Troop! Congratulations to Scout Master Ed Teleky and his Leadership unit as well as the Scouts of 424 on the success of this endeavor. Of course, the members of SCSC played an important part in this success with their good will, support and attendance at the event. We want to extend a word of thanks to all the DG’s (Distinguished Guests) and fine businesses that showed up to support the Troop. Ed assures me the Scouts will now be able to purchase the equipment and other things on the list he has been publishing in the *Recoil*. It will also give the Troop a needed rest from fund raising and allow them to have some time for the fun side of Scouting.

As most of you probably know by now, the Membership overwhelmingly approved the bylaw change for the $50 dues increase. This takes effect immediately for Associate members joining the club after the Oct 1, 2008 meeting as well as for all the regular and associate members in January – March 2009 renewal period. Broken down to its simplest parts the new dues amount will be $12.50 per month for the new 12 month period starting in March 2009. The former dues structure was $8.33 per month for the 12 month period. As you can see the increase is a grand total of $4.17 per month of which 50% is designated to fund the “Land and Building fund.” All in all this will boost the amount of funds on hand to provide for the on going operation of SCSC. If you have any questions or need clarification as to the need for the increase feel free to contact myself or any of the current Board members.

With the national elections around the corner we all have a lot to gain by voting and a lot to lose by not voting. I’m sure we are all well acquainted with the voting process in our counties, state and the nation. Please take the time to make your voices heard along with the rest of the club members. It really is a sight that those who have been entrusted with the stewardship of our freedom and the day to day workings of our government have done such a poor job with the honor and privilege we have given them through our vote. We’re suppose to have the ability to “clean out” the House every two years with 1/3 of the Senate going with them, but the “People” do not seem to understand that doing the same thing over and over with the same people will not enhance or repair government. Our Founders understood this in its entirety, based on the language in the following thoughts by them for us to take heed of:

**Samuel Adams, 1775 - Letter to James Warren:** The public cannot be too curious concerning the characters of public men.

**Samuel Adams, 1775 - Letter to James Warren:** Nothing is more essential to the establishment of manners in a State than that all persons employed in places of power and trust must be men of unexceptionable characters.

**Thomas Jefferson, 1781 - Notes on Virginia Query 19:** It is the manners and spirit of a people which preserve a republic in vigor. A degeneracy in these is a canker which soon eats to the heart of its laws and constitution.

**George Washington, 1789 - letter to the Residents of Boston:** Your love of liberty - your respect for the laws - your habits of industry - and your practice of the moral and religious obligations are the strongest claims to national and individual happiness.

**George Washington, 1789 - Draft of first Inaugural Address:** No compact among men...can be pronounced everlasting and inviolable, and if I may so express myself, that no wall of words, that no mound of parchment can be so formed as to stand against the sweeping torrent of boundless ambition on the one side, aided by the sapping current of corrupted morals on the other.

**Noah Webster, 1789 - Letters to a Young Gentleman Commencing His Education:** In selecting men for office, let principle be your guide. Regard not the particular sect or denomination of the candidate - look to his character...
John Witherspoon, 1776 - The Dominion of Providence Over the Passions of Men: Nothing is more certain than that a general profligacy and corruption of manners make a people ripe for destruction. A good form of government may hold the rotten materials together for some time, but beyond a certain pitch, even the best constitution will be ineffectual, and slavery must ensue.

These are just some of what is available to us for educating ourselves and those in our families as well as those we encounter in our sphere of influence. And Last!

The Patriot Post, Founders’ Quote Daily: “We established however some, although not all its [self-government] important principles. The constitutions of most of our States assert, that all power is inherent in the people; that they may exercise it by themselves, in all cases to which they think themselves competent, (as in electing their functionaries executive and legislative, and deciding by a jury of themselves, in all judiciary cases in which any fact is involved,) or they may act by representatives, freely and equally chosen; that it is their right and duty to be at all times armed.” Thomas Jefferson (letter to John Cartwright, 1824)

As always we hope for the best, pray for the future of our country and for our posterity, those who will carry on our name and our traditions known as “Americans.” Again, I look forward to seeing as many of you at a meeting, on the ranges or through the sport we enjoy!

Peter Buckingham, President, SCSC

Points of Interest to Members

Alan James
Southern Maryland Friends of the NRA
c/o Beltway Glass, 3827 Penn Belt Place, Forestville MD 20747

Dear Fellow SCSC and NRA Members:

I reconsidered my resignation from the Friends of the NRA committee prior to the 2005 dinner due to the fact that my hope was to better understand the grant process, and obtain more funding for the southern Maryland region that supports our function.

I have now served as Chairman for four dinners, co-chair for three dinners before that and have been on the committee for eight years. I feel that I have accomplished what remained to do, with thousands of dollars coming back to this area, most of it to 4H, but with some additional southern MD organizations benefiting from our efforts as well.

Throughout the time I have been involved with Friends of the NRA, I have been one of the largest donors and hope to continue that effort, but have decided to resign my position as Chairman and just become a devoted attendee and continuing donor.

I am truly honored to have been a part of the FNRA at the time that the Supreme Court Ruled in favor of our Second Amendment rights.

I am sincerely thankful to everyone that has helped us reach that goal and continue our ongoing efforts to support both the NRA and the local organizations that educate our youth and “young at heart” in all shooting sports and related activities.

As of the date of this letter, no successor has come forward, and we have passed the mid-year point of our annual dinner. I am asking someone to please step forward and take over this position, and I offer all the behind the scenes support and assistance I can to make a smooth transition. Please contact the NRA rep Brian Swartz 973-343-2104 or bswartz@nrahq.org or myself, Alan James 301-568-1000 or alan@beltwayglass.com.

Mountain Property

There will be a "road trip" to the Mt. Jackson, Va. property on Saturday, November 8, 2008. We will meet at Middleton Hall. Departure will be at 8 AM. Please call me to sign up for the trip. If you don't get me, please leave your name and telephone number on the voice mail. Phone number is 301-843-6240.

Ladies’ Night

♫ Ladies’ Night At The Indoor Range, Wednesday, November 12, 7-9 pm ♫

Turkey Shoot

On November 24, 2008, the Indoor Range will be holding another of their famous Turkey Shoots. This is a perfect opportunity to win your Thanksgiving turkey. The cost is $5 per relay, using pistol or revolver in .22 cal. up to 44 mag. Come and have some fun.
The meeting was called to order by President Peter Buckingham at 8:00 p.m. Paul Goodwin led the invocation. Scouts of Troop 424 then led the membership in Pledge of Allegiance. Twenty-two members signed the roster and an estimated eighty were in attendance.

President: Peter Buckingham reported that the Scout fundraiser with Carrabba's Italian Grill raised approximately $7,908 for Troop 424. The Annual Membership picnic was a success. The President wished to acknowledge Ways and Means Director, John Fitch, and the volunteers for their hard work to bring this event to the membership. Middleton Hall is doing well and President Buckingham thanked Janet for her dedication. He asked for volunteers to help with setting up and arranging the dance floor for events. This would be a good way to work off the required work hours and get one's name into the monthly Workers’ Drawing.

Second Vice President: Perrin Lewis told the membership that the Utah Concealed Carry Permit Class will be held November 9 at 2pm at Middleton Hall. Please contact Perrin Lewis if interested. 301-638-1230 or mdeng0014@verizon.net.

Secretary: Dennis Menefee made a motion to accept the minutes of the September Membership Meeting as printed in the Recoil. The motion was seconded and passed.

Treasurer: Tony Barnett made copies of updated August Treasurer's report available to the members. A motion was made to accept the Treasurer’s Report. The motion was seconded and passed.

Huntmaster: Jim Pollock reported that the Charles County Sherriff’s Office was training K-9s on SCSC hunting property off of St Charles Parkway. Second VP, Perrin Lewis, informed the officers that SCSC hunters will be in these woods and the Officers agreed to discontinue training K-9s there. Mr. Pollock said that posting of the property borders will be delayed until cooler weather to avoid the concentrations of chiggers in the wood. He is looking into a piece of property along Rte 6 as a possible purchase for SCSC. Roger Hall will be posting Range Closure signs during deer hunting seasons. Please heed the closures. The ranges are closed during hunting season for the safety of members hunting on the range property, no exceptions. A member asked if he could drive back into the area off of the new section of the St. Charles Parkway where there was no curb, specifically at the sediment ponds. The member was told NO until ACPT is contacted and give its OK.

Ways and Means: John Fitch thanked the volunteers for making the Annual Membership Picnic a success and Troop 424 for manning the Moon Bounce. See his committee report for details of drawings and who won prizes.

Conservation: Phil Lang reported that the Beagle Club which was seeking to use SCSC properties for field trials has chosen another location.

Wildlife: Marlene Smith informed the Members that applications for Hunting at various sites are available online at www.dnr.state.md.us. Hunting is available for geese at Wright Island (October 29 Lottery) and Deer Bow hunting at Liberty, Lochraven, and Pretty Boy Reservoirs.

The DNR is stocking 19,000 trout in Maryland streams. See the DNR website for locations and regulations. DNR will hold five public meetings on proposed boating regulations. Contact Marlene at jo3smi@msn.com or the DNR website for more information.

Hunter Safety Education: Marlene Smith reported there is a Hunter Safety Class available online at www.dnr.state.md.us. A Field Event to complete the requirements will be held at the Outdoor Range November 15th. She urges all members and family members who haven’t taken a Hunter Safety Course to take this course for their own enjoyment, information, and above all, safety. Contact Marlene at jo3smi@msn.com.

COMMITTEES

Black Powder: Tony Orlando informed the membership that the September Black Powder match was cancelled due to rain. October 4 is the last match for 2008. There has been good participation and lunch is provided to shooters.

Cowboy Action: Steve Goldman reported that Cowboy Action matches are held the second Saturday of each month with setup at 4pm the preceding Friday. He encouraged all members to come out and help set up and watch or participate.

Grounds: Roger Hall reported that Paul Goodwin and his son built the new gate at the Outdoor Range. He reported that Mac Middleton and Jim Pollock helped erect the gate. Signs for the Hunting Season Range Closures have been posted at the Outdoor Range. If violators are seen, please contact Second VP, Perrin Lewis, and GET TAG NUMBERS! Violations will not be tolerated. This is a safety issue and taken very seriously. Stone was put in the runs at various locations on the range property. There is a “Non Potable Water” sign on the water tap at the Outdoor Range. Heed the sign - the water is not drinking quality. Bring water to drink or cook at the Range.

High Power: John Leber reported that the October Match will be a Service and Sporting Rifle Match. Any sites allowed on any rifle up to 35 caliber and under 15 lbs weight. Sporting Rifle requires 32 rounds for record and 2 sighter rounds. Service Rifle requires 50 rounds plus sighters. He encourages everyone to come out the first Sunday of each month.

IPSC: Andy White was not available and Randal Browning reported there were 13 shooters at the September IPSC Match. Matches are held on the third Sunday of the month. The next match will be October 19. The safety brief is at 7a.m. and first round downrange at 9 A.M. November will be the last match for 2008.

Indoor Range: Paul Goodwin reported that the Indoor Range Committee has awarded medals to imitate the Olympics. Competition was 3 stages using the B22 Target and 22 pistols. Gold went to Cheryl Munn, Silver went to Randall Browning, and Perrin Lewis took the Bronze. On November.24, 2008, the Indoor Range will be holding a Turkey Shoot. The cost is $5 per relay, pistol or revolver .22 cal. up to 44 mag.

Junior Rifle: Perrin Lewis reminded everyone that Junior Rifle is held the first Sunday of each month after High Power. Junior Rifle is drawing 6 to 10 young shooters each month. Volunteers and shooters are welcome.
Membership: Dave George presented four new applicants for membership:

</tbody>
</table>

The applicants were introduced, invited to leave the room, and the motion was made to accept them into membership. The motion was seconded. There was no discussion and the motion passed. The applicants were invited to return to the room and welcomed as new members.

Shotgun: Peter Buckingham stated that the Shotgun Committee needs volunteers. Teams A and D have only two members and Sporting Clays can’t be opened unless there are three members to a team. Sporting Clays is the number 1 money maker for SCSC. Three to four volunteers are needed immediately. This would be a good way to work off required hours and have a good time.

Silhouette: Brian Rehm reported that the State Silhouette Match had 9 shooters and 22 firearms. Scouts from Troop 424 receive high praise from the shooters as they raise Scouting money by resetting the targets. He is planning to hold 2009 matches on the fourth Saturday in March, April, May, and June. He also reported he is working with the Associated Gun Clubs of Baltimore to provide shooting opportunities for the Membership and attract participants to SCSC events.

Legislative: Gus Steinhilber reported he is inviting Maryland Legislature Representatives to SCSC events to grow awareness of our Club and its activities. He stated that lobbying is an ongoing, year round activity.

Old Business:

Dues Committee: Chairman, Ed Winters, read the motion made at the September Membership Meeting to raise annual dues by $50. Changes in dues require a change in the SCSC By-laws. Ed made a motion to change Section VIII of the SCSC By-laws to read:

SECTION VIII – MEMBERSHIP FEES
1. As of October 1, 2008, membership fees are established as follows:

   1. REGULAR MEMBER:
      (1) One time initiation fee of Four Hundred Dollars ($400.00), plus,
      (2) Non-prorated annual dues of One Hundred Fifty Dollars ($150.00).

   2. ASSOCIATE MEMBER:
      (1) No initiation fee.
      (2) Non-prorated annual dues of Three Hundred Dollars ($300.00).
      (3) Associate Members have the option of upgrading their membership to a regular membership by paying an additional $250 at any time while a member in good standing.

The motion was seconded and the floor was opened for discussion. A vote by show of card was taken and recorded by the Secretary. The motion to change the By-laws and raise the annual dues by $50 passed; 41 "YEAS", 3 "NAYS". By SCSC By-laws and Robert’s Rules of Order, changes to SCSC By-laws take affect immediately upon passage. The new dues apply to all applicants approved after October 1, 2008.

New Business:

Shotgun: A motion was made for SCSC to allocate up to $850 to purchase specialty birds for the shotgun range. The motion was seconded and passed.

High Power: A motion was made to close the Outdoor Range the first Sunday morning from March through November 2009 for High Power matches. The motion was seconded and a vote will be taken during the November Membership Meeting.

President Buckingham appointed a Charles Stewart Memorial Scholarship Committee to study how and to whom SCSC should award scholarships. The committee members are Secretary Menefee, Treasurer Barnett, Jim Whitehead, Fred Pumphrey and Tom Scheid.

John Fitch reported that a hunter was killed falling from a tree stand on September 15. The Pennsylvania DNR website has an online Tree Stand Safety Test members can take. He encourages all members to please pay attention to safety when hunting.

Tom Scheid won the 50/50 raffle with ticket #432590. Fernando Anzola won the workers raffle for Indoor Range. The meeting was adjourned at 9:47 pm. Respectfully submitted, Dennis Menefee, Secretary

St. Charles Sportsman’s Club
Board of Directors Meeting Minutes
October 15, 2008

SCSC Board Meeting was called to order at 8:58 pm.

Officers’ Reports

President: Peter Buckingham passed out a list of accomplishments for the past six months and asked for any additional input from the Board Members. In response to a question concerning the new dues structure, a motion was made to apply the new dues to all membership applications approved after the October 1, 2008 membership vote to increase dues. The motion was seconded and passed.

Second Vice President: Perrin Lewis stated the IRS letter approving non-tax status for SCSC is required to apply for Friends of the NRA Grant. Treasurer Barnett will ask the accounting firm to acquire a copy from the IRS. Twenty persons have enrolled in the Utah Concealed Carry Permit Class as of the Board Meeting. The Instructor will provide a copy of his liability insurance. Four of the nine RSOs at the Indoor Range have NRA certification. Perrin stated he is investigating the possibility of an SCSC, NRA sponsored Women On Target event in the Spring to bolster participation in SCSC shooting activities.

Treasurer: Tony Barnett asked the Board if he may dispose of an old, unused credit card machine. A motion was made to sell the machine. The motion was seconded and passed. Tony stated that approximately 80% of the land and building fund assets were deposited into the CDARS program, and that the remaining 20% was distributed across a no-penalty CD and a money market checking account. This will ensure FDIC protection without having to open accounts at multiple banks.

Committee Reports

Huntsmaster: Jim Pollock related that he will be having a “Road Trip” to the Virginia Mountain Property on November 8. The intent is to familiarize members who are interested and
choose a spot to erect a small building to hold tools and equipment. For details see the notice in this Recoil.

Conservation: Phil Lang reported that he will be meeting with DOD officials during October to investigate any possible use of surplus DOD land in the Charles County area.

Wildlife: Marlene Smith asked permission to form a Committee to investigate fundraising activities for SCSC including hosting an SCSC Banquet similar to a Friends of the NRA, Ducks Unlimited, or National Wild Turkey Federation type dinner/fundraiser. After discussion a motion was made to authorize Ms. Smith to form a committee to investigate and plan such an event for SCSC. The motion was seconded and passed. Members interested in helping can contact Marlene.

Membership: Dave George presented one application for membership:

<table>
<thead>
<tr>
<th>Applicant</th>
<th>Sponsor</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kevin Sheff</td>
<td>Larry Milanovich</td>
</tr>
</tbody>
</table>

A motion was made, seconded and passed. to present the applicants to the Membership for consideration.

New Business:
President Buckingham formed a new SCSC By-laws Committee. The Committee will be charged with updating the current By-laws to reconcile inconsistencies, repetition, and conform them to Robert’s Rules of Order, Newly Revised. President Buckingham appointed Parliamentarian and First VP, Frank Fruh, and Publicity Director, Gus Steinhilber, to the Committee. He will ask for three volunteer members at the November Membership Meeting.

First VP Frank Fruh requested that the Friends of the NRA Dinner Committee (not affiliated with SCSC but an NRA committee) be allowed to use the Middleton Hall upstairs Board Room to plan their event. The Friends of the NRA Dinner is held annually at Middleton Hall. A motion was made to allow the Friends of the NRA Dinner Committee to use the Board Room. After discussion, the motion was seconded and passed.

The meeting adjourned at 9:57 PM. Respectfully submitted, Dennis Menefee, Secretary

First Vice President’s Report  
Perrin Lewis

St. Charles Sportman’s Club will be hosting a Utah Concealed Carry Class on November 9th at 2:00pm. The Utah Non resident Concealed Carry permit is accepted in the following states: PA, VA, DE, NC, GA, VT, AL, TN, KY, OH, IN, MN, MO, AR, MS, LA, TX, OK, SD, ND, MT, WY, NM, AK, AZ, NV, ID, WA, and of course UT. The permit fees for the UT permit are less than any other non resident state permit. A permit good for 5 years is $65.25. The renewal after 5 years is $10.00. If you would like to take this class it is not too late. To register call Proactive Shooters at 804-307-8315. The cost of the class is $79.95 and is required for anyone applying for the UT permit. If you have any questions please contact me. 301-638-1230 or by e-mail mdeng0014@verizon.net

Treasurer’s Report  
Tony Barnett

All committee chairs are reminded that funds collected as a result of committee activities are due monthly (or within 30 days of the event). Event paperwork must include a list of participants, their SCSC member number (or other affiliated club membership number), the amount paid, and the total income. The committee financial report must also include a detailed, itemized listing of all expenses, and must include receipts. All paperwork and collected funds must be turned in monthly, with the required supporting paperwork. Incomplete reports or reports without receipts will not be accepted, and reimbursement will not be paid without supporting paperwork. Committee chairs are also reminded that their monthly expense reports for reimbursement cannot exceed $100 without approval by the membership or the Board, as appropriate. New financial procedures are being developed to enhance our ability to track funds, to ease the process of annual tax preparation, and to more precisely account for all club expenditures. Once finalized, these procedures will be communicated to all committee chairs who collect and turn-in proceeds for committee activities (e.g. Shotgun and Cowboy).

Committee Reports

Cowboy Action  
Steve Goldman

The October cowboy action match was on Saturday 11 October and we had 9 cowboys and 3 cowgirls shoot the match. We made $120. If we have the November match it will be Sunday 9 November. The last two years we had very poor attendance and I'm considering canceling the match.

High Power  
Russ Levin

High Power had excellent weather and a full line of shooters, minus one (equals nine). Just about all of these crusty nice folks are SCSC members. We had new shooters and if my memory serves me (poor choice of words at my age) there was one new shooter who was younger than the pair of socks I was wearing. We want to welcome him and ask that he please come back so we can verify that it was not a mirage. As is always the case, the experienced folks made the new shooters feel welcome and helped them every inch of the way. We are getting into the end of the scheduled season for 2008 and frankly I will be sorry to see it come to a close this year. We have a great bunch of folks who enjoy each others company and it is truly amazing how well they can shoot with open sights. I would hope that we can entice some ladies to join our High Power shoot because I know women always say they can do a much better job then men.
I would like to suggest that we form a bank and make certain that it fails in the first week so we can get some of our tax money they are giving away. Maybe we can call it a land bank and when we get our bail out money we can present the majority of the money to ACPT as a way of thanking them for letting us stay on their property. Of course we will keep some back for our scout troop 424 so they will be able to continue their outstanding job of teaching the values and principles that made this country great.

When you vote, please remember that you are exercising a privilege that most people in the world do not have.

Next High Power Match, December 7 - BE THERE 7AM!

Huntsmaster
James Pollock

As in the past, ATVs are to be used to place stands, to get your deer out and to remove your stand. These limitations are from the landowner ACPT. Please adhere to these rules so we don’t lose our hunting privileges.

 Indoor Range
Paul Goodwin

The Low Light/No Light Tactical Match started Oct. 14 and will run to Dec.2, 2008. Match is a 50 round course for pistols and revolvers, 9MM to 44 Mag calibers, a flashlight is required for use during two of the firing stages. The next Indoor Range Ladies Night Shoot will be Wednesday, Nov.12, 2008 from 7PM to 9PM. Members should bring family members or neighbors or friends. This is a good evening for ladies firearms refresher or for beginners to learn the basics of firearm safety and firearm use. A good way for the ladies to get involved in shooting sports.

Junior Rifle
Perrin Lewis

The St. Charles Sportsman’s Club Junior Rifle program is open to kids age 6 to 18 years of age and is free of charge. The goal of the program is to teach basic rifle marksmanship and firearm safety. Junior rifle will be held on November 2, 2008 at the outdoor range. We will be starting at 11:30 am and we normally shoot for about 3 hours. If anyone has any questions or would like to help out, please feel free to contact Perrin Lewis at 301-638-1230 or by e-mail mdeng0014@verizon.net. Preregistration is not required but is appreciated.

I can always use the help of the members. Just a reminder to those who have been members for less than two years you are required to work 16 hours for the first two years of membership. Junior Rifle is a great way to get these hours taken care of. If you are not able to make it out to the range on these dates I can find other things for you to do at your convenience. Thanks again to all those who have come out to help I can not run this program without you.

Scouting
Russ Levin / Ed Teleky

The SCSC Boy Scout Troop witnessed the power and precision of our United States Air Force through its Band, Honor Guard and Drill Team as they attended the NATO Air Chief's Tattoo held at Bolling Air Force Base this month. Next month, the troop will participate in an exciting search and rescue drill with the Calvert K-9 Squad. Also if you are out and about shopping on Friday, November 28 "Black Friday," make sure to stop by Circuit City or Best Buy and buy some fresh Krispy Kreme Donuts from the SCSC Boy Scouts who will be selling them all morning. The Troop has many exciting trips planned ahead including Solomon's Island, Great Falls Rock Climbing, Harpers Ferry Whitewater Rafting, and Assateague Island. The Troop meets every Thursday at the SCSC Pavilion from 7-8:30PM. For information: Scoutmaster Ed Teleky: 301-645-9049, 301-646-9876, or eteleky@hotmail.com.

Shotgun took in $399 for the month of September. “F Troop” was the top Team with $248.50. Shotgun is starting to pick up again although it is still slower then we would like to see it. The Trap is still awaiting the motor and parts for the repairs. These parts are coming from our friends in Sweden and it is taking a long time!! We still really need to pick up 2 - 3 new Trappers to fill some vacancies on the Teams. Shotgun Committee is “the very best” Committee to serve the club on. If you are a shotgun enthusiast, really good discounts for Skeet, Trap and Sporting Clays are the order of the day. OJT provided on site and free lunch for all Trappers on their weekend. It would be hard to find a better deal in all of SCSC.
