**Membership Meeting**  
**Wednesday, September 3<sup>rd</sup>, 8PM at Middleton Hall**  
**Annual Picnic – Sunday, Sept 14<sup>th</sup>!**

## St. Charles Sportsman's Club, Inc. Meeting Minutes

August 6 2003

The meeting was called to order by the President with the presentation of the flag and the pledge of allegiance to the flag by the Scouts of Troop 424. All officers were present except Dave George who was excused.

The scouts were recognized and read a statement to the membership that informed them of their current activities. They also apologized to the membership for failing to be at the last silhouette match to help in setting up the targets. They also reported the loss of the troop leader, who passed away while they were on a scouting trip.

A motion was made to accept the minutes as printed in the recoil. The motion was seconded and passed.

Russ Levin reported that the insurance premium has been paid on our insurance. He spoke about the range and pavilion and thanked all the members who helped Roger in fixing up the place, it really is looking good. He informed the members that the indoor air pistol program started tonight and the members who showed up had a good time. He also indicated that the club and the hall are doing fine financially.

Russ asked all who are interested in being a range officer to please see the 1st VP Andy Moye after the meeting.

Roger Hall reported on a number of items:

- Indoor pistol leagues — Bob Faber is doing a good job with the PPC and the Air pistol league is just getting started.
- **High Power** held on Sunday had a good turnout of 25 shooters and the next match will be on 9/7 and will be an 800 aggregate.
- The **Shotgun** range turned in \$853 in July and as usual, Roger needs more volunteers for the committee.
- On **Grounds**, the following members are recognized for work done on the range. Bruce Stiles graded the entrance road and moved the storage trailer. Paul Gooding for welding the entrance gate after someone knocked it down. I also had to pull out and repair the air conditioner in the range booth. Terry Coons graded around the pavilion to keep the water out.
- Work on the range buildings — finished the pavilion and the painting, scraped, sanded and primed the new storage trailer for the IPSC and cowboy action. Installed new door and frame in the high power storage area and painted the interior cinder block building at the firing line.

Roger also thanked the following for their help on the range: Dave Dyeus, Dennis Perkins, Dick Bossard, Ned Johnson, Terry Coons, Bruce Stiles, Chuck Soares, Lane Elson, Randy Dorson, Luther Keal, Mark LoSchiavo, Robert Jackson, Charley Galbreath, and Steve Washburn.

Things that still have to be done on the range are: Scrape and paint 4 storage trailers, storage barn, firing line and the range booth.

Tony Barnett gave the treasurers report and John Leber made a motion to accept. It was seconded and passed.

**Silhouette Report** — John Ondrejko reported that the last match was not well attended because we had competition with the nationals that were being held in Stockton, TX at the same time. The next match will be on August 23 and I can always use help. Also, tonight we started indoor air pistol silhouette. We will be shooting every Wednesday from 6 to 8 PM. We hope to start a league in about three weeks. If you are interested, please give John Ondrejko a call.

Bill Zickgraf reported that the **Indoor Range** is doing fine but we could use a few more range officers.

Bob Faber reported that the 1st **PPC League** finished and that there will be a meeting on September 19th at 7pm for the start of a new league.

Jim Pollock reported that we are still waiting on a response from the property owners on our tentative offer for the Maryland property.

**Cowboy Committee Report** — Elaine reported that they had 59 shooters braved the heat and humidity at our July match. We turned in \$425.

Our August match is this Saturday, the 9th. Setup will be Friday at 4pm. If you need to fulfill your work requirement, aren't adverse to some hard labor, and can spare a few hours, come by the range and lend a hand. It will be hot and humid, so the more workers, the quicker the job will get done.

The September match will be an "Annie Oakley". Scenarios will be written by women, about women of the old west. Elaine reported that "Scattergun Ken" wants me to call it "Drag Riders Return", but I she said that she just can't do that 'cause that might scare some of you away! But all cowgirls, or reasonable facsimiles thereof, are invited to shoot. Elaine also noted that "...one of our bearded cowboys looks great in drag!"

Elaine noted that this is our third season shooting cowboy action at St. Charles. Each month we get new people, coming from as far away as Richmond, Pennsylvania, and New Jersey. The cowboys shoot once a month, on the second Saturday, March through November. Stop by and watch, or lend a hand with setup or tear down. Stop by our table for more information if you're interested. Elaine Costello - Chairperson.

### **Legislative Report—Gus Steinhilber**

The passage of Senate Bill S659 is a high priority! Contact your Senators Sarbanes and McCulsky!

This legislation would block reckless lawsuits against gun manufacturers. Supporters of our position include the U.S. Chamber of Commerce and the National Association of Small Businesses.

Also, we need to have Alabama's Bill Pryor to be confirmed by the U.S. Senate to become a judge in the U.S. Court of Appeals for the 11<sup>th</sup> Circuit Court. Contact our Senators!

The United Nations is once again looking at international trafficking of small arms. Our U.S. State Department has indicated that the U.S. Government would oppose any attempt at international registration of firearms.

On August 8<sup>th</sup>, Secretary of Agriculture, Ann Veneman announced that the USDA will immediately allow the importation

of hunter-harvested wild game meet including deer, elk, moose, caribou, sheep, and goats. However, hunters will be required to submit a Veterinary Services Permit for Importation of Hunter Harvested Wild Ruminant Meat and a valid Canadian export certificate or a copy of a valid Canadian Hunting License. The special permit can be downloaded from the USDA, or one can call (301)734-3277.

**John Leber—Wildlife:** John Leber reported that Accurate Arms have recalled #3100 propellant Lot #12002. If you have this powder please call 1-800-416-3006 for instructions. John also gave notice to hunters going to Canada — Due to mad cow disease, NO meat, hides, or heads are allowed into the US. This order comes from the U.S.D.A. and Customs. John also reported that DNR is looking into the possibility of a mute swan hunt approximately 2 years in the future, also the Maryland bear problem is getting bigger.

John Fitch on **Ways and Means** has shirts, hats and raffle tickets for the Annual Picnic members-only raffle for sale.

On behalf of Dave George, John Fitch presented 5 new applications for membership:

<u>Applicant</u>	<u>Sponsor</u>
Charles Cooley	Don Smith
James Mirack Jr.	Don Smith
Dean Ursitty	Randy Guarino
Theodore Weston Koss	Ted Koss
Richard S. Adams	Doug Vaughn

After the introductions the new members were asked to leave the room while the vote was taken. A motion was made and seconded and passed. The applicants were welcomed back into the room where they were welcomed as members.

#### **UNFINISHED BUSINESS:**

The motion to close the range while the CCSO uses the range on the first Tuesday of each month was removed from the table. The full motion was printed in the RECOIL. A vote was taken and passed.

A motion to close the range for the 2004 Cowboy action schedule as printed in the RECOIL. A vote was taken and passed.

#### **NEW BUSINESS:**

Bob Faber made a motion to appropriate \$350 for trophies for the PPC league that just finished. The motion was seconded and passed.

Tony Barnett made a motion to approve an expenditure of \$270 for new IPSC targets. The motion was seconded and passed.

Elaine Costello made a motion to approve \$1500 for new Cowboy Action targets and props, the old are wearing out. The motion was seconded and passed.

Bill Zickgraf made a motion to approve \$250 for the purchase of a PA system for the indoor range. The motion was seconded and passed.

John Fitch made a motion to appropriate \$1000 as start-up funds for an SCSC New Years Eve party 'fund raiser'. The motion was seconded and passed.

Gus Steinhilber read a proposed bylaw change. It is published here as required for a vote at the September membership meeting.

**Proposed Constitution and By-Laws amendment to Article 3, Section III, Responsibilities of Membership:** Delete Paragraph 6 which reads, "Each family membership shall work eight (8) hours toward new Building Corporation Activities annually until the Building is paid off."

*Rationale presented to the Membership: This section no longer seems appropriate. It was established when we planned to operate SCSC Bingo and to use SCSC members to provide various labor to run Middleton Hall. Since that time, we have changed our operation to use paid employees and we no longer operate Bingo.*

John Fitch made a motion to approve \$600 for raffle prizes to be awarded at the SCSC Annual Picnic. The motion was seconded and passed.

Roger Hall made a motion for an additional \$1,400 to cover expenses in fixing and repairing the outdoor range and grounds. The motion was seconded and passed.

#### **Announcements**

Allen Harper reported that the month of July was a slow month for Middleton Hall, but we're doing fine. He also reminded the members of the SCSC Annual Picnic on September 14th. (See the enclosed flyer!).

Roger Hall reported the death of John Kierman, a club member, and asked that all remember him in your prayers.

Nancy Strikes won the 50/50  
Mike Costello won the worker half

The meeting was adjourned at 9:22 PM.

Respectively submitted, John Ondrejko, Sec.

### **Committee Reports**

#### **Indoor Air Pistol Silhouette**

*John Ondrejko*

We have a new game starting! The silhouette committee and the indoor range have come together to start shooting indoor air pistol. The start date will be on August 6 at 6:00pm until the meeting starts. At first it will be just shooting for fun to get acquainted with the procedures for air pistol silhouette. If you are interested please come to the range on Wednesday and try out the new game at SCSC. We plan on shooting every Wednesday from 6 to 9 pm. A league will be forming some time in September. A modest fee will be charged to cover the cost of the targets and maintenance of the range. For more information please call me at 301-868-1537 or 301-943-4605.

### Indoor Range

**Treasurer's Report**  
*Tony Barnett*

All committee chairs are reminded that funds collected as a result of committee activities are due monthly (or within 30 days) of the event (e.g. match). Event paperwork must include a list of participants, their SCSC member number (or other affiliated club membership number), the amount paid, and the total income. The committee financial report must also include a detailed, itemized listing of all expenses, and must include receipts. All paperwork and collected funds must be turned in monthly, with the required supporting paperwork. Incomplete reports or reports without receipts will not be accepted, and reimbursement will not be paid without supporting paperwork.

Committee chairs are also reminded that their monthly expense reports for reimbursement cannot exceed \$100 without approval by the membership or the Board, as appropriate. Expense reimbursement in excess of \$100 will not be made without this prior approval.

In addition to committee paperwork, funds, and receipts, it is also critical that any member issued 'advance funds' to purchase equipment or supplies (e.g. after membership approval) **MUST** submit required receipts and received equipment **MUST** be inventoried by the property chair. Failure to submit a receipt for advanced funds could result in an IRS Form 1099 being issued, subjecting the member to a tax liability. As a result, we will be tracking all advance funds issues.

If you have any questions on these processes, please contact Tony Barnett.

**Membership Report**  
*David George*

The following applicants were approved by the Board in August:

**Property Director**  
*Dave George*

We're in the process of conducting our annual property inventory. Each Committee Chair needs to obtain a property list, inventory property assigned to them, update the listing (e.g. for new property), and sign for this property no later than the September 2003 membership meeting. Please contact me (Dave George) if you have any questions or if I can be of any assistance.

**1999 Assessment Repayment**  
*Tony Barnett*

As of this date, we have fully repaid the 1999 assessment to all Regular, Associate, and Life Members, with the exception of four deceased former members. As of this date, we have been unable to locate their families or estate representatives at the last known addresses and phone numbers in our records.

If anyone has contact information (phone numbers or addresses) of surviving family members, please contact Tony Barnett at (301)934-4901 or by email @ [centerfire@aol.com](mailto:centerfire@aol.com) so that we may repay these assessments. Thanks!
