President’s Corner, September 2008

Here we are rolling along into the fall of 2008. As I write this the days are getting shorter and the nights a little longer!

The August Membership meeting was a good one with an SCSC Scout Troop 424 presentation by the Scouts and their Leaders. Very informative, and helps to make one realize how really important the contribution is SCSC makes to the Scouts. We all as a club provide space and equipment to keep the Troop moving and growing. We provide 424 with a really "to die for" facility with the outdoor range property and the Scouts encampment SCSC has set aside. As Ed Teleky, the Scout Master, pointed out to the Membership, “These young men are our future and the posterity of our club as well as our Nation. We are helping to build young men to go out and become the future Senators, Congressmen, Doctors, Lawyers as well as Fathers of families in our nation.” If we are to help build strong young men and leaders for our nation Scouting is a great venue to accomplish this. We truly do leave a living legacy for ourselves personally as well as for St. Charles Sportsman’s Club. We should stop for a minute and reflect on this as it is one of the most important things we as Hunters, Shooters and Sportsmen can do for our sport and those who will follow after us. There is of course more to be done and more to accomplish but for now we are being successful with this endeavor and should be proud of the accomplishment as a club.

As you all have read in the August Recoil, the SCSC picnic is once again around the corner and a fun time is awaiting those who are able to be there. John Fitch, Ways and Means Chair, is planning some good eats and games for the kids as well as a raffle for a Glock Pistol of your choice. We have heard back from a few of the County Commissioners and they will be dropping by to meet and greet those of us who are interested in doing so. As you all probably have guessed the more connected we are in Charles County the brighter the outlook for SCSC as we move into the future to acquire our own property and continue to build our club and our relationship to those who can work for us.

Also the Scouts are having the Carrabba’s dinner/fund raiser for the Troop on Wednesday September the 10th. I understand the event will be drawing a wide range of county businesses as well as some State officials who have been invited to attend. I would like to personally invite everyone who is a member of the club to come and eat with the Scouts of 424 and enjoy the evening. This is an opportunity to lend support to the Troop in word as well as deed. Even if you cannot attend it might be a thought to donate an adult admission to the Scout Troop to help with the financing of the balance of 2008 and 2009. You may mail this to Middleton Hall, attention Scouts 424. Ed Teleky, Scout Master, tells me there are some single mom families who want their son to experience scouting with 424 but do not have the financing to afford the uniforms, scarves, hats and other necessary clothing and equipment that come along with joining a vibrant Scout Troop. It would be my hope that all SCSC members might be willing to participate when families under these constraints are brought to our attention and this is an excellent way to do so. A quote here might be appropriate. So I add this for thought, Founders' Quote:
It should be your care, therefore, and mine, to elevate the minds of our children and exalt their courage; to accelerate and animate their industry and activity; to excite in them an habitual contempt of meanness, abhorrence of injustice and inhumanity, and an ambition to excel in every capacity, faculty, and virtue. If we suffer their minds to grovel and creep in infancy, they will grovel all their lives.

John Adams, 1756 - Dissertation on the Canon and Feudal Law

Hope to see you all at a Membership meeting or one of the other club sponsored functions on or off the range.

Peter Buckingham, President, SCSC
**Points of Interest to Members**

**HUNTERS:** 2009 hunting season parking pass enclosed in this issue.

Shotgun and the other shooting disciplines are open for shooting as always. The stadium did not have any closing effect on SCSC and it's ability to continue to exercise our shooting schedules.

**HUNTER SIGHT-IN** - We will be hosting a Hunter sight-in day on October 12, 2008 at 8:00 am. This sight-in day is open to the public. All non members will be charged $5 to use the range. Targets will be available for sale. Contact the Second Vice President for details.

Members, listed below are some of the items the Scouts are trying to acquire to enhance their Scouting experience. This is a partial listing and more is needed. If, as a club, we can get this equipment to the Troop it would go a long way to fulfilling our pledge of support to these young men. Look for the containers at the September member meeting for donations to Scout Troop 424. These will be placed around the meeting room for those who would like to help raise this support. Thank you for your support and consideration.

*Wednesday, September 3, 2008, Middleton Hall, 8:00 p.m.*

St. Charles Sportsman's Club, Inc.

Membership Meeting Minutes

Wednesday August 6, 2008

The meeting was called to order by President Peter Buckingham at 8 p.m. Scouts of Troop 424 then led the membership in the Pledge of Allegiance. Forty-two members signed the roster and an estimated 63 were here.

**Troop 424 Scoutmaster:** Ed Teleky, Scouts, and adult leaders gave a presentation of the purpose and activities of our resident Scout Troop. The Scouts are involved in a number of activities which benefit the membership of SCSC. Among these cleaning up trash, junk, and brush from the range area, cleaning up fired brass which adds to the range safety and is sold to raise funds for the Troop, and placing bird houses on SCSC property and participating in the Potomac River Cleanup. As well as this work which teaches civic responsibility, the Scouts camp, white water raft and do other activities for fun. Troop 424 is raising funds to purchase needed equipment for camping. Please see the “needs list” in the Recoil and help out if possible.

**Second Vice President:** Perrin Lewis reported Junior Rifle will be held every first Sunday at 11 am. He reiterated that he has placed black buckets at the range for collection of expended brass which the Boy Scout Troop will recycle to raise funds.

**Secretary:** Dennis Menefee made a motion to accept the minutes of the July Membership Meeting as printed in the Recoil. The motion was seconded and passed.

**Treasurer:** Tony Barnett made copies of updated May, June, and July Treasurer’s reports available to the members. A motion was made, seconded and passed to accept the report.

**Publicity Director:** Gus Steinhilber provided copies of “Heller versus District of Columbia to the membership. He reported Heller is seeking further remedy against District of Columbia for passing an Emergency Measure which continues to impose a handgun ban against the Supreme Court of the US ruling that the DC handgun ban is unlawful.

**Huntsmaster:** Jim Pollock stated that the borders along St. Charles Parkway need to be remarked and he will be seeking volunteers to help with this before hunting seasons begin.

**Ways and Means:** John Fitch reminded members to purchase raffle tickets for the Annual SCSC Picnic. He asked for volunteers to man a Moon Bounce and other activities for children during the picnic.

**Conservation:** Phil Lang reported on Scout Troop 424 conservation efforts such as placing bird houses in the Range area. He has been mowing at the Pomfret property leaving plenty of cover to attract deer and wildlife and plans to continue through the summer. Phil has maps of the hunting properties available for members.

**Wildlife:** Marlene Smith reported upcoming qualification shoots for managed deer hunts across the State of Maryland. Two local qualifications shoots are the Isaac Walton League Southern Maryland Chapter on Sunday, September 21 from 1PM to 4PM and Myrtle Grove WMA Range (Shotgun and
Muzzleloader Qualifications Only) Saturday, August 16 from 9AM to 12 Noon and September 19 from 2PM to 5:30PM. Also the final batch of specially tagged rockfish into the Patuxant River as part of the 2008 Maryland Fishing Challenge featuring Diamond Jim was released. Diamond Jim has yet to be caught! The 2008 Maryland Fishing Challenge ends on September 1st. Any angler who catches a citation-qualifying fish and enters the challenge may win one of the official grand prizes including a 2008 Toyota Tundra 4X4 pickup truck, a boat and trailer package and $5,000 in fishing gear. The other way to win is to simply catch Diamond Jim, which is identified by a bright green tag. There is just one official Diamond Jim along with 20 imposters swimming in the Chesapeake Bay and its related waterways. Should you manage to catch Diamond Jim by midnight August 31st you would win $25,000 in cash along with a $5,000 diamond. An imposter is worth a $500 Boater’s World gift card. For a list of species and lengths to qualify for a citation and the citation location centers contact Marlene at jo3smi@msn.com or call at 301-523-0973. This year there is a program for youths also which would give them the opportunity to win guided fishing trips throughout the state.

Hunter Safety Education: Marlene Smith reported that this is the last chance for Hunter Safety Class for 2008! The last class here at Middleton Hall will be held Sept 2, 4, and 6. Registration will be from 9 to 1 on August 9 at Fred’s Sports and 9 to 1 August 16 at Dick’s Sporting Goods. Cost is $6 per student. For more information, please contact Marlene at jo3smi@msn.com.

Cowboy Action: Steve Goldman reported that the July match was attended by 13 people raising $105. He encouraged all students. For more information, please contact Marlene at jo3smi@msn.com. 

Glock Match: Roger Hall reported that the annual Glock Match was a success attracting 221 shooters. Glock and numerous shooters complimented the volunteers on the professional manner in which the match was conducted. Charlie Embody has volunteered to chair and organize the next annual match.

Properties: President Buckingham reported that ACPT has shown him areas near the Landfill which SCSC may use for a range facility if we ever need to move from the current location, emphasizing that for the foreseeable future ACPT states they are happy to have the range facility remain where it is.

New Business: 
Honorary Membership: John Leber made a motion to bestow Honorary Membership on Stuart Bouchley for his support at High Power matches. Mr. Bouchley, a disabled Veteran, has participated in running High Power matches for many years. After discussion the motion was seconded and the motion passed by show of hands, 32 for and 0 against.

Dues Committee: Chairman Ed Winters reported that the Dues Committee had submitted a report to the SCSC Board recommending a raise in dues to offset rising costs and a drain on the General Fund. He stated that dues had not been raised since 1992. The Committee made a recommendation to raise annual dues by $25 and to revisit the issue in one year to see if this is adequate. Changes in dues require a change in the SCSC By-laws. Ed made a motion to change Section VIII of the SCSC By-laws to read:

SECTION VIII – MEMBERSHIP FEES
1. As of September 3, 2008, membership fees are established as follows:

   1. REGULAR MEMBER:
      (1) One time initiation fee of Four Hundred Dollars ($400.00), plus,
      (2) Non-prorated annual dues of One Hundred Twenty-Five Dollars ($125.00).

   2. ASSOCIATE MEMBER:
      (1) No initiation fee.
      (2) Non-prorated annual dues of Two Hundred Seventy-Five Dollars ($275.00).
      (3) Associate Members have the option of upgrading their membership to a regular membership by paying an additional $250 at any time while a member in good standing.

The motion was seconded and the floor was opened for discussion. Per SCSC By-laws, this motion to change the By-laws must be recorded in the minutes of the August Membership Meeting, printed in the September Recoil, and a vote taken on the proposed change at the September Membership Meeting.

Range Gate: A motion was introduced to appropriate funds,
not to exceed $400, to purchase materials to build a new Gate at the Range entrance on Piney Church Road. After discussion the motion was seconded and passed.

Pomfret Expenditures: A motion was made to reimburse Phil Lang fuel costs in maintaining the Pomfret hunting property. The motion was seconded and passed unanimously.

Elaine Costello won the 50/50 Raffle with ticket #431899. Elaine graciously donated her winnings to Scout Troop 424. Perrin Lewis won the workers raffle for Shotgun Committee on July 22, 2007. Perrin also donated the proceeds to the Scouts.

Members placed $14 in the Boy Scouts donation bucket.

The meeting was adjourned at 9:25 pm. Respectfully submitted, Dennis Menefee, Secretary.

St. Charles Sportsman’s Club
Board of Directors Meeting Minutes
August 20, 2008

A special meeting convened at 7 pm for the presentation of material from the recent NRA Range Seminar by member Ed Winters. Present was Indoor Range Committee member Jose Torres and Roger Hall, Grounds Chairman. Ed gave an in-depth review of the study material he received during the meetings in Philadelphia. The subject matter was far ranging including Business Management Practices, Insurance, Sound Abatement, Lead Abatement, and Safety Practices. The content of the courses are of greater volume than anyone had anticipated and Ed has a good handle on the subject matter. Expect to see more information and improvements at both the Indoor and Outdoor Ranges as enhanced safety and range management improvements are deployed. Good work Ed!

SCSC Board Meeting was called to order at 9:09 pm.

New Business: None

Officers’ Reports

Second Vice President Perrin Lewis has been checking into a conceal carry handgun class for the State of Utah for the members. Utah Conceal Carry Permits are accepted in 33 states, not including Maryland, however. Perrin will present particulars to the Members at the September Membership meeting for approval of this class.

Committee Reports

Publicity: Gus Steinhilber announced he had sent Publicity Releases, including one regarding our Hunter Safety Program, to the Maryland Independent. Look for this in your local paper!

Huntsmaster: Jim Pollock and Conservation Chairman, Phil Lang, presented maps of the areas near the landfill which ACPT has proposed for future SCSC use. Ingress is available off of Rte 488 and the properties are near our current outdoor range. No move is necessary in the foreseeable future. However, there are contingencies should it ever come about. Members have asked Jim about parking for the hunting areas off of extended St. Charles Parkway. Jim reports that on the SCSC property side the road has curbs and grades uphill away from the road, giving little if any parking on that side. He is checking with the Sheriff’s Department for possible legal parking on the Parkway.

Ways and Means: John Fitch announced that food has been arranged for the Annual Picnic to be held Sunday, September 14th from 1 to 4 PM. Crabs, hamburgers, hotdogs, and other food will be provided. There will be a Moon Bounce for children. Members can purchase raffle tickets to win a Color TV, Cabella’s Gift Certificates, and a Glock Certificate for the Glock of their choice. The Committee is looking for volunteers to run the children’s games during the picnic.

Membership: Dave George reported that a former Associate Member, Spence Miller, left in good standing, has applied for reinstatement along with eight new applicants:

A motion was made to bring the applicants before the membership for approval at the September Membership meeting. The motion was seconded and passed.

Unfinished Business: None

The meeting adjourned at 10:05 PM. Respectfully submitted, Dennis Menefee, Secretary.

Treasurer’s Report

Tony Barnett

All committee chairs are reminded that funds collected as a result of committee activities are due monthly (or within 30 days of the event). Event paperwork must include a list of participants, their SCSC member number (or other affiliated club membership number), the amount paid, and the total income. The committee financial report must also include a detailed, itemized listing of all expenses, and must include receipts. All paperwork and collected funds must be turned in monthly, with the required supporting paperwork. Incomplete reports or reports without receipts will not be accepted, and reimbursement will not be paid without supporting paperwork. Committee chairs are also reminded that their monthly expense reports for reimbursement cannot exceed $100 without approval by the membership or the Board, as appropriate. New financial procedures are being developed to enhance our ability to track funds, to ease the process of annual tax preparation, and to more precisely account for all club expenditures. Once finalized, these procedures will be communicated to all committee chairs who collect and turn-in proceeds for committee activities (e.g. Shotgun and Cowboy).

SCSC Web Site
(www.STCharlesSC.com)

Tony Barnett

The annual club activities calendar can be viewed on our web site, stcharlessc.com. Contact Tony if you have any questions, comments or suggestions on our site. Members-only password is: scscmember.

The club newsletter, Recoil, is available in the member section of the SCSC web site at stcharlessc.com. Copies of the Recoil
are available online from January 2002 to present. The latest *Recoil* is generally posted to the web site about the same time that it goes to the printer. You will need Adobe Acrobat Reader in order to download, read, and print the *Recoil*.

**Committee Reports**

**Cowboy Action**

*Steve Goldman*

We no longer use the pit because of the heat. We set up six stages, but set up three stages and shoot each stage two different ways. This means less steel targets to set up and to break down. We had a total of 9 shooters and we made $61. For the September match we are starting the match at 0900 instead of 1000. Our September match is Saturday, September 13 and set up is Friday 12 September starting at 1600.

To shoot the match cost $5 for SCSC members and $10 for non members. Registration starts at 0700 and the match starts around 0900 and lasts to about 1300. We will have snacks, bottled water, and Gatorade for sale. After we recite The Pledge of Allegiance to the Flag there is a 5 minute safety brief. We use six guns or Colt 1893 Peace Makers, lever action Winchester and Marlin rifles and double barrel or pump shot guns. Firearms and ammo are from late 1890 or early 1900. Anyone wanting to shoot stages should phone or e-mail me and I will arrange it so that you can shoot a stage before the regular match begins. In the summer the dress code is relaxed Cowboys and Cowgirls dress because of the heat and for safety and comfort (i.e. short sleeved shirts).

**High Power**

*Russ Levin*

The High Power Match did very well. We had a bunch of nice folks show up, including someone who had never shot with us before. The shooters were very kind in helping and all had a great time. Russ prepared wild game chili and it went fast. There are people who would like to shoot High Power but do not know what to bring or if they have the right equipment. If you have a rifle other than a 22 long rifle and you enjoy shooting, then you have the right equipment. Scope or not scoped, both are OK. We start at 7AM on the first Sunday of the month. Please come and shoot. At least you will get a mouth watering taste of a wild game dish for free.

**Hunter Safety**

*Cindy Perkins/Marlene Smith*

We are in the process of wrapping up our 2008 Hunter Safety Education classes. Our three day course for September will be finished this Saturday. Once again we filled our class to capacity! Cindy and I would like to personally thank all our instructors and volunteers who give their valuable time to this program. They are truly a fantastic group to work with! And they are truly appreciated! We couldn't do it without them! We will be attending a chief instructor meeting next January to set up our class schedules for 2009. Once we have the dates for next year locked in we will pass this information along to the membership. Have a safe and prosperous hunting season! See you next year!

**Huntsmaster**

*James Pollock*

Your 2009 Hunter's Parking Permit is in This Issue.

**IPSC**

*Andy White*

We had another good turn out (22 shooters including 2 club members) and great weather. I'd like to thank Randall Browning for coming out to help me even though he had to work shotgun that day. He showed up early (7am) to help me get started with set up. That's true dedication to the club. We could always use more shooters and I would like to see more club members participate. It looks like the word is getting out to a lot of USPSA shooters that St. Charles is putting on a really good match. We are getting shooters from all over the MD/VA/PA area. I would expect to see participation growing over the next months and into next year. When shooters have a good match to go to they will drive long distances to check it out. If anyone is interested in shooting or coming out to help set up or in the running at the match, please send me an email and I can get you all the information you need. Also, for those who don't fully understand what USPSA is, please go to www.uspsa.org and check out what it is all about. You could also search on www.youtube.com and see some shooters in action from around the country. USPSA is the most fun you could ever have with a handgun. Remember, we shoot the 3rd Sunday of each month. Set up starts at 8am and we start shooting at 10am.

**Junior Rifle**

*Perrin Lewis*

The St. Charles Sportsman's Club Junior Rifle program is open to kids age 6 to 18 years of age and is free of charge. The goal of the program is to teach basic rifle marksmanship and firearm safety. Junior rifle will be held on September 7 at the outdoor range. We will be starting at 11:30 am and we normally shoot for about 3 hours. This month will be more of a match clinic. I plan to run a match course of fire this month for anyone who is interested. If anyone has any questions or would like to help out please feel free to contact Perrin Lewis at 301-638-1230 or by e-mail mdeng0014@verizon.net. Preregistration is not required but is appreciated. I can always use the help of the members. Just a reminder to those who have been members for less than two years you are required to work 16 hours for the first two years of membership. Junior Rifle is a great way to get these hours taken care of. If you are not able to make it out to the range on these dates I can find other things for you to do at your convenience. Thanks again to all those who have come out to help I can not run this program without your help.

**Membership**

*David C. George*

New applicants approved by the SCSC Board are published in the board minutes section.

Note: SCSC has a limit of 450 Regular members. As Regular members resign, Associate members (based on the order in which they joined) will be given the opportunity to upgrade to a Regular membership.
NRA Information Needed
SCSC must maintain 100% NRA membership. Please check your *Recoil* label for (NRA ? and/or Date ?) to determine if your NRA information is current.

Note: The suspended members who failed to provide NRA information are now current and their membership re-instated.

Scouting
Russ Levin

On Wednesday, September 10, Carrabba’s Italian Grill will be sponsoring a fundraising dinner consisting of Chicken Marsala, Caesar Salad and Penne Pomodora for the St Charles Sportsman’s Club Boy Scout Troop at Middleton Hall with dinner served between 6-9PM. Advance sale tickets are $12 for adults and $6 for children under 10. Tickets must be purchased by September 4th. Corporate sponsorships are available starting at $125 and include a reserved table for eight and half page advertisement in the program. Other sponsorships are available up to $1,000. All proceeds go directly to the SCSC Boy Scout Troop. Come out and support the club's Scouts in what will be a fun and entertaining evening. For more information on the event and if your company would like to be sponsors please contact Scoutmaster Ed Teleky at 301-646-9876, 301-645-9049 or at eteleky@hotmail.com.

Shotgun Report and Work Schedule
Peter Buckingham
eringrp@comcast.net
301-646-5300

Shotgun took in $319.50 for the month of July. Team “B” was the top Team with $141.50. Shotgun is starting to pick up again although it is still slower then we would like to see it. The Trap was working again but the oscillating motor burned up!! A new one has been ordered. Life Member Terry Coons fixed the Skeet house for the second time replacing the entire wire as the short thing happened again. Skeet is all fixed once again. We still really need to pick up 2 -3 new Trappers to fill some vacancies on the Teams.
